Invitation to Tender ITT_JUB_2023_0041_2nd round for rehabilitation of twelve block of latrines in eight primary schools in Juba County

Subject of the Tender: Rehabilitation of twelve block of latrines in eight primary schools in Juba County

Malteser International is the international humanitarian relief agency of the Sovereign Order of Malta. For over 60 years we provide relief and recovery for people during and following conflicts and disasters around the world. Christian values and humanitarian principles form the foundations of our work. In over 30 countries in Africa, the Americas, Asia and the Middle East, we support people in need – regardless of their religion, origin or political convictions.

Malteser International has been working in the geographic area of today's South Sudan since 1996. MI implements a multi-sectoral program including Food & Nutrition Security, Livelihoods, WASH, health and peaceful conflict resolution. This includes activities such as agricultural trainings, cash distributions, food for education and access to water, sanitation and hygiene. The program is aiming to increase its work with local partner organisations in order to optimise its sustainability. Furthermore, MI applies a participatory, gender sensitive and inclusive approach in its programming. As of today, MI maintains its country office in Juba while operating a program office in Wau and project offices in Uyujuku and Yei.

We are going for the 2nd round procurement since some of bidders didn't submit their questionnaires for tenders, company registration documents and didn't bid in accordance with BOQs or changed specifications in the Specification of Bidding in the 1st round procurement.

We look forward to receiving your tenders on **29 March 2023 at or before 12pm** via E-mail to: mb.procurement-juba@malteser-international.org
