

JOB VACANCY – MEDICAL DOCTOR

NUMBER OF VACANCIES: POOL

Médecins Sans Frontières (MSF – Doctors without Borders) is an international, independent, medical humanitarian organization that delivers emergency aid to people affected by armed conflicts, epidemics, natural disasters and exclusion from healthcare in more than 60 countries around the world. MSF offers assistance to people based on need, irrespective of race, religion, gender or political affiliation. Our actions are guided by medical ethics and the principles of neutrality and impartiality.

Location: Agok

Contract: 6 months fixed term contract renewable

Main Purpose:

Provide outpatient and/or inpatient medical care to patients/beneficiaries according to adapted and updated medical knowledge, **MSF** protocols, values and universal hygiene standards to improve the patients/beneficiaries health conditions.

Scope of responsibilities:

- Apply medical knowledge and skills to diagnose and prevention. Carry out outpatient and inpatient consultations, prescribing the necessary treatment respecting **MSF** protocols.
- Keep the patient and/or his/her family informed about the illness and provide appropriate explanations about the treatment to follow, checking they have understood.
- Follow up the evolution of the hospitalized/IDP patients, through daily visits, consultations and examinations, prescribing the necessary treatment following **MSF** protocols, deciding whether they can be discharged or transferred to other departments – in collaboration with other doctors- and informing their family about the patient's evolution.
- Check and control the rational distribution of medicines and equipment under his/her responsibility and take care the quality, disinfection and sterilization of the medical material. Assure general compliance with standing hygiene standards.
- Participate in the collection and analysis of epidemiological data, checking its validity and informing the line manager or project coordinator about any problem or complication of the patient's illness, medical error and monitors the proper functioning of the department, equipment or material.
- Ensure ongoing training of the medical/paramedical multidisciplinary team in order to optimize the quality of care.
- Knows and ensures all MSF medical protocols are followed and implemented, checking universal precautions are followed at all times and reducing bio-hazard risks and improving infection control. Ensures professional confidentiality is respected.
- Manage the team under his/her direct responsibility according to MSF HR policies and procedures, supervising their performance, organizing and scheduling shifts and rotations, directly participating in emergencies and on calls if necessary.
- Attending to medical meetings: CO/MD morning meeting, MMR, ...

Recruitment criteria:

- Education: MANDATORY **Medical Doctor Diploma**
- Experience: MANDATORY 2 year experience minimum as a Medical Doctor or in clinical work (can be within medical training). Desirable in tropical medicine, or post-registration experience in Public Health , obs and gynae, paediatrics, A&E, infectious diseases, HIV/AIDS/STDs, TB, general practice, general medicine or minor surgery.
Experience in **MSF or other NGO's** in developing countries is a plus.
- Languages: Mission and local language essential (English, Arabic, Dinka).
- Knowledge: MANDATORY computer literacy (word, excel and internet)
- Competencies: People Management, Commitment, Flexibility, Results, Teamwork
