

ICRC

International Committee of the Red Cross (ICRC), South Sudan

The International Committee of the Red Cross (ICRC) is an impartial, neutral, and independent organization whose exclusively humanitarian mission is to protect the lives and dignity of victims of war and internal violence and to provide them with assistance. It also endeavours to prevent suffering by promoting and strengthening humanitarian law and universal humanitarian principles.

**Disclaimer:**

**The ICRC does not request any form of payment at any stage of the recruitment process (application, interview, processing, training, or any other fees). Any such request is fraudulent and should be reported immediately. Only shortlisted candidates will be contacted.**

**External/Internal Vacancy Announcement**

<b>FUNCTION:</b>	<b>Health Field Officer</b>
<b>PLACE OF EMPLOYMENT:</b>	<b>Yei, South Sudan</b>

**Purpose**

The Health Field Officer position is to provide support to the health program in Yei. This includes ensuring close communication and collaboration with various departments within the Sub-Delegation as well as with relevant interlocutors.

The position of Health Field Officer will be YEI-based, with support to field locations in priority areas of Yei SD where the ICRC supports Primary Health Care (Child preventive care), First-Aid, community-based Health activities and emergencies according to beneficiary needs.

**MAIN DUTIES AND RESPONSIBILITIES**

**Health activities:**

- Support in the implementation of the strategies and objectives of the PHC program in the Yei SD AoR, thereby ensuring a health response in line with the health strategy/ICRC mandate.
- Participates in a multidisciplinary approach to assessment and response with other departments.
- Develops strategies and a work plan to ensure appropriate planning, implementation, and monitoring for specific programs in PHC.
- Represents the ICRC in relation to health activities with the Health Sector, communities, and the SSRC.
- Ensure that there is strong communication with the health structures and relevant health partners for support programs i.e. PHC, FA, and Emergencies.
- Supports training and capacity-building of the SSRC branches to respond to disease outbreaks/health emergencies.
- Monitors the health environment in Yei SD AOR, identifies and reports on communicable disease outbreaks, mass casualty incidents, and populations at risk, and proposes responses when appropriate.
- Together with the HCiD focal person and other depts, develops and promotes Health Care in Danger initiatives in the AoR.
- Contributes to institutional reporting including MFR, FTR, Bi-weekly operational reports, and project documents i.e. assessments, proposals, and PoAs as required.
- Ensures data in the DHIS2 are completed in a timely manner.
- Supports staff health issues in the Yei sub-delegation.
- Point of contact for Sexual Violence at the Yei SD and links with the SV team in Juba.

**Medical Logistics:**

- Prepare requisition orders and donation certificates if requested.
- Liaises with LOG/Medlog to ensure a regular supply chain.

**Emergency Response:**

- Monitors health emergencies in Yei SD AoR and analyses the need for intervention.
- Participates and supports the Health Delegate in the implementation of emergency response.
- Monitors the weapon wounded emergencies and the hospitals' capacities to respond.
- Support in the contingency planning in the AoR.

**Only short-listed candidates will be contacted.**

### **Certification**

- University diploma in Clinical Medicine, Midwifery or Nursing.
- Must be registered and license in South Sudan
- Recognized certification in the professional field of health (Degree Clinical Officer, Registered Nurse or Paramedic Sciences)
- Knowledge in MHPSS is strongly recommended
- Computer proficiency in Microsoft Office (Word, Excel and PowerPoint)

### **Experience and required skills**

- Minimum of 3–5 years of relevant work experience in health field or similar position, preferably in humanitarian setting.
- Strong knowledge of South Sudan Health Systems
- Knowledge of the assigned geographic area
- Excellent organizational and record-keeping skills.
- High attention to detail and strong analytical skills.
- Strong capacity in prioritizing tasks and treat information in a confidential manner.
- Good communication and teamwork skills.
- Excellent command (spoken and written) of English, proficient in spoken Juba Arabic, knowledge of other local languages- Bari/Kakwa is an asset.
- Strong ethical standards and confidentiality.
- Previous work experience with NGOs, international organizations is an asset.
- Adaptability and teaching with leadership skills.
- Ability to work within a diverse and multi-cultural team.
