Our Vision for every Child, Life in all its Fullness; Our Prayer for every heart, the will to make it so
Building Brighter Futures for Vulnerable Children

JOB OPPORTUNITY AT WORLD VISION INTERNATIONAL – SOUTH SUDAN

World Vision is a Christian Relief, Development, and Advocacy Organization dedicated to working with Children, Families, and Communities to overcome poverty and injustice. World Vision serves all people, regardless of religion, race, ethnicity, or gender. All employment in World Vision is conditioned upon the successful completion of all applicable background checks, including criminal record checks where possible.

World Vision International - South Sudan is now seeking qualified and dynamic Individuals (men or women) who are willing to share in our vision and promise to Children, to join us in the role below:

Job title: Technical Manager, Health & Nutrition
Reporting to: Operations Director
Location: Juba
Availability: As soon as possible

Purpose of the position:

The Technical Manager for Health and Nutrition is responsible for providing technical leadership during the design, implementation, and close-out of these projects. He/she will support the Operations Director in managing the projects under these two sectors. He/she will also be responsible for leading a team of managers, coordinators, and program officers working under these sectors. He/she will provide a supervision role to the health and nutrition project leads. He/she will provide regular supportive supervision to project locations, provide technical support, and produce supervision reports. He/she will also support during the proposal development.

ROLES AND RESPONSIBILITIES:

Grant Implementation

- In collaboration with the Operations Director, technically manage Health and Nutrition projects, collect, review, and submit periodic reports to donors/Sos
- In consultation with the Operations Director, conduct field visits every quarter to ensure compliance with donor requirements and ministry standards.
- Coach, train, and technically supervise project managers and other health and nutrition staff.
- Support integration with other sectors (FSL, Education, Protection, Food Assistance, Gender Protection and Social Inclusion) and Mainstream DRR/FCPA in Health and Nutrition programming.
- Conduct regular project reviews to ensure implementation stays on track for all health and nutrition projects

Program Design

- In consultation with the Resource, Acquisition, and Partnership team, provide technical leadership and support during the project design/proposal development under Health and Nutrition projects.
- Conduct assessments and identify gaps that are used during the proposal development in collaboration with the field project team.

Budget Management:

- Support project leads in managing grant budget within approved spending levels and ensure accurate and timely financial reports to donors and key management staff at World Vision.
- Ensure supply and equipment procurement, acquisition, disposition, and management follow WV internal and donor requirements.
- Liaise with the WVSS Grants unit in tracking project expenditure, reviewing financial reports, and addressing queries related to expenditure promptly.

Monitoring, Reporting, Documentation & Knowledge Management

- Participate in the annual Child Well-Being report development.
- Support QA to develop assessment, monitoring & evaluation tools to measure health and nutrition issues, risks, KAPs.
- Provide technical leadership to health and nutrition-related research, case studies, learning reviews, and publications for WV South Sudan, and as part of the WV Region / Global initiative.
- Provide leadership and technical supervision to the technical team of Health and Nutrition project managers.

- Ensure supportive partnering for performance is in place, with performance plans set, regular conversations and feedback provided, and appraisals.

External Relations and Engagement:

- Coordinate with the WHO, UNICEF, WFP, SSHF, HPF, Ministry of Health, and Health and Nutrition clusters on Health and Nutrition emergencies, including IPC interventions.
- In consultation with the Operations Director, represent WVSS in health and nutrition cluster meetings.
- Accompany Operations Director to represent WVSS in various national and international forums deemed necessary for quality programming and profiling WVSS with donors.

Qualifications/Education/Knowledge/Technical Skills and Experience.

- Master's Degree with MPH
- Excellent training skills in defined health, nutrition, and WASH components.
- Seven years of professional experience in Health, Nutrition, and WASH projects management. At least five years at a managerial/supervisory level.
- Solid background in Health and Nutrition in emergency, particularly in emergency curriculum packages and deliverables.
- Understanding of humanitarian relief, recovery, and development work, i.e. triple nexus in fragile contexts.
- Demonstrated ability to work in a multi-cultural environment and establish harmonious and effective working relationships, both within and outside the organization, under stressful situations.
- Excellent networking, relationship-building, and people management skills.
- Ability to work in difficult, insecure, and stressful conditions.
- Demonstrated ability to think strategically, manage to plan and meet deadlines.
- Prior experience with World Vision is a distinct advantage.
- Demonstrated knowledge in Health and Nutrition planning.
- Experience in health and nutrition project management, monitoring, and supervision.
- Excellent leadership, analytical, negotiating, communication, and advocacy skills.
- Excellent capacity in facilitating training and preparing user-friendly manuals and toolkits.
- Strong networking, team spirit, partnership, coordination, and harmony skills.
- Willing to adapt to new working environments, new challenges, colleagues, and new cultures.
- MD, MPH, or MSc in any health/nutrition discipline.
- Excellent English communication skills (both oral and written).
