VACANCY NUMBER: Project Officer LIV/LS/003

Job Title: Project Officer (Livelihood)
Department: Livelihoods Program for Agropastoralists
Reports To: Program Manager
Country/Location: Akot, Rumbek East, South Sudan

About CRS

Catholic Relief Services is the official international humanitarian agency of the Catholic community in the United States. CRS works to save, protect, and transform lives in need in more than 100 countries, without regard to race, religion, or nationality. CRS' relief and development work are accomplished through programs of emergency response, HIV, health, agriculture, education, microfinance, and peacebuilding.

Job Summary:

The primary function of the job is Supporting Livelihoods for Agropastoralists in Lakes State funded by Global Affairs Canada. The project will diversify livelihood opportunities (on-and off-farm) for pastoralist cattle camp communities, reduce barriers to women's participation in agricultural and pastoral livelihoods, address sexual and gender-based violence, and support peaceful coexistence between communities in Yirol West (Mapourdit and Aluakluak) and Rumbek East (Akot) counties in Lakes State, South Sudan.

The postholder will be responsible for leading implementation of agriculture, forest livelihoods, and income generating activities of the project in the targeted locations. S/he will ensure adherence to overall technical and programmatic quality standards in implementation, compliance with CRS and donor rules and regulations, and the timely achievement of all planned activities, outputs, outcomes, and impacts as required. Your thorough and service-oriented approach will ensure that the project consistently applies best practices and constantly works towards improving the impact of its benefits to those we serve.

Roles and Key Responsibilities:

- Support the coordination and implementation of all assigned project activities as outlined in the project implementation plan, annual work-plan, targets, time-plans, and result indicators in line with CRS program quality principles and standards, donor requirements, and good practices.
- Together with Project Manager, timely conduct relevant livelihoods technical assessments
- Train field extension agents on aspects of agriculture, forest livelihoods, and income generating activities
- Supervise, support, and monitor field extension agents to timely identify, select, and train project participants using approved standard operating procedures
- Support with reviewing, editing and translation of livelihoods curricula and resources, standard operating procedures, and other project documents, as needed.

- Ensure field extension agents are always and correctly using approved SMILER tools on all project activities. Conduct regular field monitoring visits to check quality of project implementation and areas needing support.
- Monitor and report any challenges and/or gaps identified to inform adjustments to plans and implementation schedules.
- Submit quality weekly, monthly, and quarterly reports timely which have proper documentation
- Together with Project Manager, timely manage all performance planning and management aspects for field extension agents. Ensure field extension agents are timely completing and submitting timesheets, and leave plans properly planned and managed in line with CRS policies.
- Complete project documentation for assigned activities. Assist with identifying information for success stories, case studies and reports on promising practices.
- Any other relevant duties as assigned by the supervisor

Typical Background, Experience & Requirements:

Qualifications/Experience:

- Bachelor’s Degree in agriculture (Crop Science).
- At least 3 years work experience implementing agriculture plus forest livelihoods and income generating activities is a strong advantage
- Previous working experience in Rumbek East and Yirol West will be considered an advantage
