Country Program:	South Sudan
Location of Position:	Koch Hospital
Position Opened for:	South Sudanese only (Internal/External)
Desired Start Date:	March 01, 2023
Advertised date	February 3, 2023
Closing Date for Applications:	February 18, 2023

Organizational Background

International Medical Corps is a global, humanitarian, nonprofit organization dedicated to saving lives and relieving suffering through health care training and relief and development programs. Established in 1984 by volunteer doctors and nurses, International Medical Corps is a private, voluntary, nonpolitical, nonsectarian organization. Its mission is to improve the quality of life through health interventions and related activities that build local capacity in underserved communities worldwide. By offering training and health care to local populations and medical assistance to people at highest risk, and with the flexibility to respond rapidly to emergency situations, International Medical Corps rehabilitates devastated health care systems and helps bring them back to self-reliance.

Essential Job duties / Scope of Work:

- Assess, plan, develop, implement, and evaluate program me to promote health and well-being, and prevent adverse effects on health and well-being
- Implement and evaluate individual treatment plans for patients with a known long-term condition
- Identify, and manage as appropriate, treatment plans for patients at risk of developing a long-term condition
- Priorities health problems and intervene appropriately to assist the patient in complex, urgent or emergency situations, including initiation of effective emergency care
- Support patients to adopt health promotion strategies that encourage patients to live healthily and apply principles of self-care.

- Provide information and advice on prescribed or over-the-counter medication on medication regimens, side effects and interactions
- Support and advise women requesting information relating to family planning needs
- Carry out any other related duties as deemed necessary by PHC In charge and Hospital administration.
- Actively promote PSEA (Prevention of Sexual Exploitation and Abuse) standards within International Medical Corps and amongst beneficiaries served by International Medical Corps.

Required knowledge and skill

The Nurse is also expected:

- To provide services while showing respect to clients' rights, privacy and dignity.
- To ensure confidentiality and respect in line formed choice.
- To maintain a positive working relationship with clients, colleagues and community and embrace professionalism, teamwork, integrity, and medical work ethics.

Prevention of Sexual Exploitation and Abuse

- Actively promote PSEA (Prevention of Sexual Exploitation and Abuse) standards within IMC and amongst, vendors-suppliers and beneficiaries served by IMC.

Compliance & Ethics: Promotes and encourages a culture of compliance and ethics throughout International Medical Corps. As applicable to the position, maintains a clear understanding of International Medical Corps' and donor compliance and ethics standards and adheres to those standards. Conducts work with the highest level of integrity.

Ethical conduct for IMC staffs: The International Medical Corps maintains a code of standards of conduct that shall govern the performances of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported/ by donor funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or about to employ any of the parties indicated above, has a financial or other interest in the firm selected for an award. IMC officers, employees, or agents shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to sub-agreement. These standards shall provide for disciplinary actions to be applied for violations of such standards by IMC officers, employees, or agents.

Personnel Qualifications (special training/experience required)

- Degree/Diploma in Nursing School from a recognized institution.
- Must have more than 2-3 years of experience in managing primary health care services.
- High computer literacy level with expected proficiency in Word, Excel, PDF, Internet
- Ability to work independently in extreme high-risk environment with no internet or telephone communication and able to take personal initiative, and multi-task including strong facilitation skills in an ever changing and extreme environment.
- Extremely flexible, with interpersonal skills and have the ability to cope with stressful situations and frustrations.

- A South Sudanese by nationality with excellent written and spoken English and Arabic language skills.
