

Job Re-Advertisement_ Protection Systems Strengthening Coordinator (Short Term – Juba)

USAID/South Sudan Monitoring, Evaluation and Learning Support Activity, South Sudan

Company Profile:

Implemented by Integrity Global, Inc. and MSI, the Monitoring, Evaluation, and Learning Support activity (MELS) supports USAID/South Sudan through tailored monitoring and evaluation services to enhance Mission programs. In a dynamic operating environment, MELS provides the Mission with flexible, demand-driven technical, analytic, and advisory support that:

- Helps the Mission internalize and integrate concepts under Collaborating, Learning, and Adapting (CLA),
- Strengthens knowledge management and improves institutional memory,
- Advises on and produces fit-for-purpose MEL products,
- Enhances organizational effectiveness and operational efficiency, and
- Strengthens data-driven decision making through Geographic Information Systems (GIS) and other innovative spatial analyses.

Project Background:

The MELS activity serves as the Mission’s primary mechanism for monitoring, evaluation, and learning and adaptive management services for ongoing activities and programs. In a dynamic operating environment, MELS provides USAID/South Sudan with flexible, demand-driven technical, analytic, and advisory support in order to strengthen collaboration, learning and adapting (CLA); promote institutional memory; produce monitoring, evaluation, learning products as appropriate; strengthen knowledge management and organizational learning (KMOL), organizational effectiveness and operational efficiency; and strengthen data-driven decision-making through an efficient use of GIS and other innovative spatial analysis.

Position Summary:

The Protection Systems Strengthening Coordinator (PSSC) serves as the MELS lead in coordinating and managing the USAID/South Sudan’s Office of Humanitarian Assistance (OHA) initiative to strengthen the system of protection services across South Sudan. The initiative is being implemented within the framework of collaborating, learning, and adapting (CLA) and is dependent upon active stakeholder participation, engagement, and ownership. The PSSC will be the principal point of contact with OHA, the OHA implementing partners (IPs), and/or other stakeholders in the protection space. Working with OHA and the stakeholder Steering Committee, the PSSC will serve as the nexus for the coordination, planning, conduct, tracking and reporting of the various activities that will comprise this initiative. The position reports directly to the MELS Deputy Chief of Party (DCOP). This is a Short-Term Technical Assistance (STTA) position based in Juba, South Sudan.
