About CMD:

Christian Mission for Development (CMD) is a non-profit, non-governmental, multi-sectoral relief and development organization working to provide holistic services to poor and poverty-stricken communities in East Africa. Founded in 2005, CMD has remained one of the major national NGOs in South Sudan saving lives, alleviating suffering, and helps affected communities rebuild their lives. CMD works with partners to reach hard-to-reach areas with very little or no basic services and significantly in regions affected by wars, poverty, extreme hunger, and illiteracy. Our thematic areas are Education & Child Protection, WASH & Environment, Healthcare, Nutrition, Food Security & Livelihoods and NFIs/Shelters.

Vision:

CMD envisions empowered, holistically transformed and economically self-reliant communities growing in unity and diversity

Mission:

CMD exists to inspire, empower, and transform communities through provision of holistic social services while strengthening resilience for self-reliance

Christian Mission for Development

Transforming lives, building communities

Job Purpose

Perform clinical laboratory activities according to WHO and MOH protocols, security and hygiene measures in order to obtain results to determine the patient's treatment
