Building Brighter Futures for Vulnerable Children

JOB OPPORTUNITY AT WORLD VISION INTERNATIONAL - SOUTH SUDAN

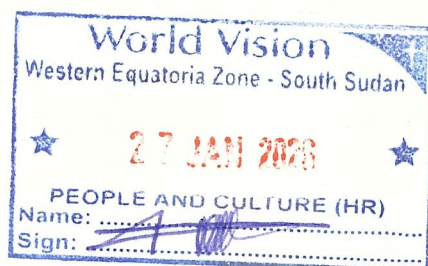

World Vision is a Christian Relief, Development and Advocacy Organization dedicated to working with Children, Families and Communities to overcome poverty and injustice. World Vision serves all people, regardless of religion, race, ethnicity or gender. All employment in World Vision is condition upon successful completion of all applicable background checks, including criminal record checks where possible.

World Vision International - South Sudan is now seeking for a qualified and dynamic Individuals (**Man or Woman**) who are willing to share in our vision and promise to Children, to join us in the role below:

Job title: Health Project Officer -(01) Tambura (Awaiting donor approval)
Reporting to: Project Manager
Location: Tambura
Availability: February 1, 2026

Purpose of the position:

World Vision is providing essential health and nutrition care services in South Sudan, with interventions designed to: enhance delivery of integrated health and nutrition services, expand community health services for prevention and treatment, and support stable health and nutrition systems that are responsive and accountable to the needs of communities and individuals accessing these services. World Vision with funding from South Sudan Humanitarian Fund (SSHF) will be responding to the health and protection needs of the Internally displaced persons in Tambura County, Western Equatoria State. The project objective is to save lives and reduce protection and health risks among conflict-affected populations in Tambura County, Western Equatoria, by delivering integrated, life-saving health and protection services, strengthening GBV, child and general protection responses, enhancing outbreak preparedness, and reinforcing community and health system capacities through inclusive, survivor-centred, and coordinated humanitarian action. To ensure thoughtful implementation considering the unique needs of vulnerable and at-risk groups, WVISS is seeking a dynamic person to fill the position of a **Health Project Officer to be based in Tambura**. The Health Officer will be responsible for the quality and sound implementation of the SSHF health activities in Tambura County. S/He will ensure that all project deliverables are achieved and reports are shared in time with the Project Manager. The incumbent will directly supervise all operations of health and nutrition activities in Tambura County. She/

he will ensure that WVSS child protection policy is adhered to at all times. The Health Officer is expected to have strong leadership qualities and depth and breadth of technical expertise, and project management, monitoring and evaluation, and budget management expertise. **S/He shall have a keen understanding of the unique political and socio- cultural context of Western Equatoria State and Tambura operation.**

ROLES AND RESPONSIBILITIES:

Coordination

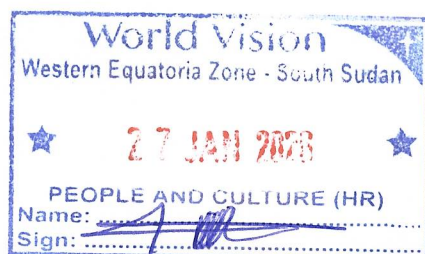

- Engage with other NGOs and UN organizations to ensure effective leverage of resources.
- Participate in regular project reviews in conjunction with the SMOH and CHD
- Coordinate with other sectors (Nutrition, WASH, FSL, protection), departments and projects to ensure integrated approach to project management.
- Manage proactive and responsive relationship with county authorities.
- Attend county level government and humanitarian coordination meetings.

Program Implementation

- Provide leadership in the implementation of Primary Health Care and nutrition services in the County as guided by the project objectives, logical framework and work plan.
- Manage proactive and responsive relationship with the county health department and authorities in close collaboration with the Project Manager.
- Improve Maternal and Child Health indicators and EPI coverage in the County.
- Ensure HF conduct EPI outreaches.
