Duty station: **Juba (frequent field deployment)**

Number of positions: **One (1)**

Date Issued: **14/09/2022**

Date Closure: **03/10/2022**

Category: **B-2 727 USD/Month**

Category: **Local Staff Posting**

Presentation of organisation:

SOLIDARITES INTERNATIONAL is an international humanitarian organization which provides aid and assistance to victims of war or natural disaster. For over 35 years in actions have focussed on meeting three vital needs; water, food and shelter. Solidarites International has been present in South Sudan since October 2006 and the mission currently consists of both emergency and post emergency programs.

Objectives:

- The WATSAN Officer will be in charge of the implementation of emergency WASH activities for affected populations in multiple locations across South Sudan, contributing to the achievement of Solidarites International's goal of reducing morbidity and mortality linked to water-related disease.
- The WATSAN Officer will work in challenging environments, deploying to remote areas anywhere in South Sudan at short notice with basic living conditions
- He/she will ensure the quality of the activities implemented in accordance with Solidarites International guidelines and Sphere standards
- He/she will share the principles and values of Solidarites International

JOB

List of main activities:

1. Technical Requirements

- Assess, evaluate and advise on technical WASH activities and needs.
- Responsible for water supply and sanitation installations (considering issues of quality, relevance, maintenance and sustainability). Including: rehabilitation (borehole/hand-pump/water yard), water

quality testing and treatment, installation and operation of SWAT system, construction/rehabilitation of latrines and construction/rehabilitation of hand dug wells.

- Participate in emergency assessments, distributions, and other activities as required.
- Facilitate community involvement in each stage of activities and identify local capacity, including pump mechanics and water point management committees.
- Ensure facilities are appropriate in line with SPHERE standards and Solidarités International guidelines.
- Mainstream and integrate gender aspects and community views into the designs and the implementation of the WASH activities.

2. Setting up the activities / control / monitoring:

- Plan the intervention activities and the weekly activities together with the team and have them approved by the EPR WASH Program Manager (PM).
- Ensure beneficiaries and host communities are involved and consulted throughout the project.
- Supervise and monitor the quality of technical interventions at each stage of activity in collaboration with the WATSAN SUPERVISOR.
- Ensure that standards and instructions given by the WATSAN SUPERVISOR, as well as Solidarités International procedures, are followed.
- Coordinate with the HP team to ensure that the various aspects of the WASH response are integrated.
- Respect schedules and deadlines agreed upon with the WATSAN SUPERVISOR.
- Report back any problems and constraints encountered during the course of the activities and suggest operational solutions.
- Ensure security and safety procedures/measures are followed throughout.
- Ensure that all required COVID-19 Prevention measures are understood and followed by SI staff, daily workers, activity participants, and others.
- Participate in all other EPR activities (hygiene promotion, assessment, MEAL, distributions, etc.) when requested by the WATSAN SUPERVISOR

3. Logistics and Administration

- Plan HR needs in liaison with the WATSAN SUPERVISOR. When recruiting daily workers, follow procedures outlined by SI.
- Plan tool and material needs (request from stock), ensure correct use and maintenance of tools. Track usage with monitoring tools provided, ensure safe storage of material and equipment provided and that accurate receipts of materials purchased are kept.
- Anticipate administrative (advance, budget) and logistics (transport, communication means) issues and request in advance.

4. Reporting/ Communication/ Representation:

- Participate in program meetings, WASH cluster meetings on request.
- Meet with local authorities, rural water departments, host and affected communities.
- Assist with writing and submission of report, including weekly reports and progress made by the team in reaching the objectives, according to agreed deadlines.
- Assist with writing assessment reports
