

Job Title:	Program Counsellor (PC 01 Position)
Job Location:	Juba – South Sudan
Reporting to:	Head of Programs
Advert starts	21st September 2026
Advert Closes on:	9th October 2026

INTRODUCTION:

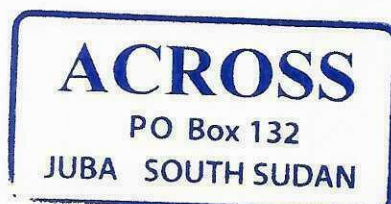

ACROSS is an Interdenominational Church based organization which strives to provide humanitarian assistance (including emergency/relief, rehabilitation and development work) to local communities, internally displaced persons, refugees and other vulnerable communities to enable them to realize their purpose and value as human beings. ACROSS in South Sudan is urgently looking for a competent qualified South Sudanese for the position of **Program Counsellor (PC) – Healing and Reconciliation Project South Sudan.**

Main Job Purpose:

The Program Counsellor (PC) will support efforts to address secondary trauma among the peacebuilders for enhanced peaceful co-existence in South Sudan. The PC will also assist in efforts to increase the capacity of peace builders in self-trauma healing and supporting others to heal through cascading the knowledge, skills acquired and learnings during implementation. Specifically, the PC will provide Counselling and psychosocial care for the peace builders, support the program officer to convene peacebuilders and their organizations, support operationalization of work-based trauma healing policies for local partner organizations, policy advocacy and support experience sharing efforts. It is envisioned that the intervention would result in creating a community of peacebuilders, who are able to deal with their own trauma, and that of other peace builders in the sector as well as community members served.

JOB Roles and Responsibilities:

1. Facilitate one on one counselling services, group therapy and referrals to those most affected peace builders particularly after an exposure to critical incident events.

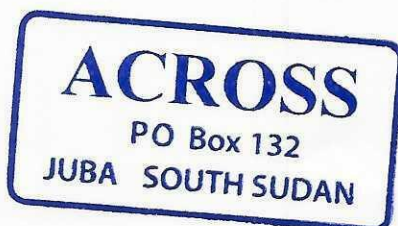

2. Provide diffusing and psychological first aid on telephone to distressed partner staff after exposure to traumatic experience when a one-on-one session cannot be arranged immediately.
3. Support the South Sudan Program Office to work directly with ACROSS and Sudan Evangelical Mission (SEM) to plan and implement the program activities.
4. Support the Program Office to develop resources, relationships, and processes for increasing the capacity of partner organizations in South Sudan to operationalize work-based trauma policies.
5. Identify and provide support in planning innovative and creative outreach activities by peace builders including generating list of names for referral to higher level therapeutic care.
6. To offer psychoeducation on thematic issues such as stress, and critical incident stress and other trauma related concepts to increase their knowledge, self-awareness and self-care.
7. Articulates ACROSS values and principles including its commitment to peace.
8. Support research by, developing policy briefs, writing of briefs, case studies, program knowledge management and other relevant materials reflecting on best practices and lesson learnt for periodic South Sudan publication and presentation to local and international audiences.
9. Conduct continuous monitoring and evaluation of the program activities including and not limited to listening sessions from a results-based perspective.
10. Contribute to the development of training modules, curricula, and courses to train trainers to meet the different needs of South Sudan partners.
11. Technically support the South Sudan program partners to improve in their peace building and trauma healing program delivery to their targeted population with greater impact and effectiveness.
12. Support capacity building of South Sudan peace builders in mainstream trauma healing into peace building initiatives.
13. Support the South Sudan partners in identifying advocacy issues and escalate them through existing advocacy structures.
