POSITION: PSS WORKER

LOCATION: PARIANG, RUWENG ADMINISTRATIVE AREA

Job summary (Job Description)

The case worker will work under the administrative supervision of the GBV officer in Ruweng Administrative Area and the programs manager based in Juba. The successful candidate will be responsible and accountable for the coordination, implementation, and monitoring of the mental health and psychosocial support services offered by CH in the area in line with the relevant international guidelines and standards on PSS.

Duties and Responsibilities

- Support the GBV Officer by identifying programme gaps
- Implement level 2, 3 and 4 MHPSS services in line with the Inter-Agency Standing Committee (IASC) intervention pyramid in close coordination with the local working group
- In coordination with field-based staff, provide adequate capacity building on Psychological First Aid (PFA), MHPSS guidelines, Mental Health Gap Humanitarian Intervention Guide (mhGAP) and referral pathways) to CH staff, psychosocial mobile teams and other relevant actors where applicable, such as line ministries, IDPs and host community members.
- Carry out and supervise the CH team in Pariang, including volunteers, and ensure compliance to CH administrative procedures.
- Participate in various cluster meetings, working groups, and mapping exercises.
- Act as a focal point for the MHPSS in Ruweng and participate in the development of work plans, capacity needs assessment as well as referral pathway in close collaboration with partner organizations.
- Undertake psychosocial needs assessment and offer services as needed.
- Ensure that confidentiality and the right to privacy is maintained regarding confidential information.
- Perform such other duties as may be assigned.

Project Reporting

- Provide regular and timely update of project implementation progress to supervisor and state cluster focal persons in accordance to the set reporting timelines.
- Ensure preparation and submission of weekly updates to the programs manager.
- Contribute to preparation of internal project activity narrative of implementation status as required by the project donors.

Person Specifications

a) **Education and Experience**

- Diploma in development studies, social work, community development, gender and women studies, or related qualification.
- Minimum 3 years of proven experience in prevention and response to GBV in an NGO setting.
- Excellent writing and reporting skills for external audiences (including governments and donors).
- Proven experience liaising with state ministries and county government departments of and donor agencies.
- Language: Fluent spoken and written English and spoken Juba Arabic. Knowledge of Dinka language is an added advantage

b) **Behavioral Competencies**

- Flexibility in approach and an ability to adapt to varying demands and work hours
- Ability to identify problems and resolve them
- Ability to work with minimal supervision
- Proficient skills and experience in working with MS Office
- Ability to exercise sound judgment, to remain flexible to a changing environment, and to make decisions independently
- Ability to work well with a cross-cultural team
- Familiarity with international humanitarian operations, coordination structures, and the mandates of donors, UN agencies, and other NGOs.

NB. The job duties and responsibilities as set out above are not exhaustive and the post holder may be required to carry out additional duties within reasonableness of their level of skills and experience. **Interested South Sudanese candidates are invited to submit their application letter and a detailed CV to the CH offices in Juba and Pariang or online to jobs@ch-ssd.org. Deadline for receiving application is 12th October 2022.**

Female applicants are encouraged to apply.
