

JOB PROFILE

How to Apply for this Job

Background on Tearfund

Who we are: We are a Christian organisation partnering with the local church wherever possible to see change in the lives of those in greatest economic need. We believe poverty is caused by broken relationships with God, others, the environment and ourselves, and working to see those relationships restored is key to how we work. We want to see change that is economic, material, environmental and spiritual. See: Tearfund's Theology of Mission

Our vision: To see people freed from poverty, living transformed lives and reaching their God-given potential

Our mission: We follow Jesus where the need is greatest, responding to crisis and partnering with local churches to bring restoration to those living in poverty

Our values: We aspire to be courageous, truthful, compassionate, servant-hearted and Christ-centred

Relevant scriptures include: 2 Cor. 5:8-11, James 3:18, Romans 8:18-25, Philippians 4:7, John 10:10, Luke 4:16-21 and Micah 6:8

Job Profile

JOB TITLE	Logistics Manager - Career Break Cover for 12 months	
GROUP	National Group	
TEAM	East and Central Africa - South Sudan	
LOCATION	Juba, South Sudan	
RESPONSIBLE TO	Country Director	

PART 1 - JOB DESCRIPTION

1. JOB OVERVIEW

The Logistics Manager (LM) is responsible for the logistics function in a Tearfund South Sudan programme. The LM manages the logistics staff at the programme head office plus at the project site with the responsibility for setting up and implementing a coordinated logistics function in support of the programme. Covering supply chain, asset management, transport, communications, IT and office/accommodation infrastructure, the LM ensures policies and procedures are known and complied with. As part of the programme's Senior Management Team, the LM contributes to strategic decision-making and shaping the overall strategy of the programme.

2. POSITION IN ORGANISATION

- Grade: A4
- Reports to the Country Director.
- Direct Reports: Line manages the logistics and other support staff in programme head office where required, including Assistant Logistics Manager, Procurement Officer and others where appropriate.
- Dotted line responsibility to the Logistics Business Partner (LBP), and contact with the International Logs Team.
- Works closely with the Finance and HR functions to provide the coordinated support functions.
- Liaises closely with government (e.g. Customs) officials and other NGOs on logistics matters.

3. ORGANIZATIONAL REQUIREMENTS

The post-holder will, at all times, carry out their responsibilities with the utmost respect for the protection of children and vulnerable adults in accordance with Tearfund's Safeguarding Policy.

The post-holder will be required to actively participate in the spiritual life of Tearfund in the following ways:

- To model godly leadership in all aspects of character and conduct.
- To lead or contribute in Christian worship, prayer, teaching and biblical reflections during collective 0 staff prayer times and encourage staff to attend as is appropriate.
- To be committed to and share in the outworking of Tearfund's Mission, Purpose, Values and Beliefs 0 statement.
- To actively work and live in accordance with Tearfund's Statement of Faith and Tearfund's Christian 0 ethos.
- To pursue and maintain a Christian faith through ongoing personal spiritual development and a 0 relationship with God.
- To provide support and spiritual encouragement to staff and colleagues, in line with biblical 0 principles.

Sign:.... PO BOX 94, Juba

The post-holder will be expected to behave in accordance with Tearfund's 'Code of Conduct' as referred to in the astund Juba, South Sudan Personal Conduct Policy.

4. KEY RESPONSIBILITIES

PROGRAMME STRATEGY 1.

- As a member of the programme's Senior Management Team (SMT), help to shape the overall strategy for the programme as articulated in the Programme Strategy.
- Ensure Tearfund's purpose, values, and the programme objectives are communicated amongst logistics staff and facilitate input from them in the strategic planning process.
- Represent the logistics function in SMT discussions, ensuring logistics considerations are taken into account in reviewing and planning programme and project planning and activities.

2. PROJECT / SUPPORT FUNCTION MANAGEMENT

- Work with the Country Director and other project staff to ensure that the logistics needs of projects are identified and met to a high standard.
- In conjunction with the Country Director, Grants and Information role and project staff, ensure project
 proposals and budgets reflect logistics considerations and that procurement plans are drawn up and followed,
 processing derogations as necessary, to ensure that procurement is achieved as efficiently and effectively as
 possible.
- Ensure supplies are identified, procured and delivered on time to provide value for money, within Tearfund and donor procedures, and to the right specifications.
- Ensure the security of all stock and assets held within warehouses including adequate building infrastructure and maintenance, responsible manual handling, safe stacking, accurate and timely documentation, and appropriate trained and resourced staff.
- Ensure assets are tracked and disposed of within Tearfund procedures and according to donor requirements, assigning both assets and other inventory items to individuals.
- In conjunction with the Senior Management Team, define vehicle fleet requirements and ensure vehicle usage plans, insurance, maintenance and servicing are established.
- Ensure appropriate systems for training and monitoring the work of drivers and mechanic. Ensure testing of all staff required to drive within the programme and provide training where required.
- Ensure a 24/7 telecommunications coverage with all sites through radio, satellite communications; maintaining the equipment and ensuring all relevant staff are adequately trained in their use for safe and effective communication; providing technical support as required.
- Ensure IT support coverage is provided for all sites within Tearfund policies, and ensure all staff are adequately trained to use the equipment provided.
- Oversee selection and maintenance of the office/accommodation infrastructure and associated utilities, ensuring safe and adequate living and working conditions.
- Ensure all new senior staff and those in the programme head office are briefed and appropriately trained on logistics policies and procedures.

3. CORPORATE POLICY AND COMPLIANCE

- Responsible for setting up, managing and overseeing all logistics systems (procurement, transport and fleet management, storage, communications, estate / buildings management, power supply, asset management, etc.).
- Responsible for compliance with the policies and procedures set out in Tearfund's Programme Logistics Manual
 and other policy and procedure manuals that may be applicable to a specific activity or situation (e.g.
 Security, Finance, HR policies).
- Regular travel to all sites within programme to monitor compliance with policies and procedures, review logistics activities and work with logistics and project staff to enhance the logistics support given.
- Delegated responsibility for health and safety within the logistics function including particularly ensuring safe
 vehicle fleet management and safe working/living environments for all staff. Also the health and safety of the
 logistics team specifically, ensuring policy and procedures are understood by staff, and any accidents are
 recorded and responded to appropriately. Also to ensure that all new staff are briefed and trained on proper
 use of equipment (e.g. radios) to ensure safety, enhance security and programme efficiency.
- Support the HR functions in the induction of logistics staff, ensuring their familiarity with Tearfund's mandate, values, Quality Standards, policies and programme objectives, particularly focusing on logistics policies and procedures, and their individual responsibilities in upholding these standards and policies.
- In conjunction with HR, ensure recruitment and management of logistics staff is consistent with Tearfund HR
 recruitment policies, the legal context and local practice.

Ensure all logistics systems and procedures comply with the host country's and donor's legal, contractual requirements including required operating licenses.

An analysis of the host country's and donor's legal, contractual requirements including required operating licenses.

4. TEAM MANAGEMENT

- Provide leadership to the logistics teams at the programme head office and project office, ensuring clarity
 over team and individual work plans and priorities, encouraging effective teamwork and inclusiveness, and
 building a team spirit through regular meetings and team events.
- Ensure Tearfund's performance management system is effectively implemented across the project team, with objective setting, probationary reviews, regular catch ups, 6-monthly performance appraisals, personal development planning and exit interviews, carried out for all staff.
- Ensure that the Logistics team respect local cultural customs and norms.
- Conduct disciplinary and grievance procedures, as required, in conjunction with the HR Manager.
- Provide spiritual leadership to the logistics team and pastoral support where appropriate.

5. EXTERNAL REPRESENTATION

- Represent Tearfund at the appropriate level, to local authorities (whether formal governmental or informal de facto authorities), securing the necessary approvals to operate (e.g. Customs, Radio licenses).
- Represent Tearfund at the appropriate level, to other NGOs, UN agencies, and visitors, ensuring coordination and constructive working relations and attendance at relevant inter-agency coordination meetings.
- If required, and in consultation with the Country Director, provide advice, training and guidance to key Tearfund partners to build logistics capacity and competency.
