

JOB ADVERTISEMENT 2020

Position: Conduction & video-recording of FGDs on epilepsy (**Consultant**)
Job location: Juba
Reporting relations: Consortium Coordinator (Nodding Syndrome Alliance)
Closing Date: 10th June 2020

**About Amref:**

Amref Health Africa is the largest indigenous health development non-governmental organization based in Africa. Working with and through African communities, health systems and governments, Amref Health Africa aims to close the gap that prevents people from accessing their basic right to health. Amref Health Africa is headquartered in Nairobi, and has programmes in Kenya, Uganda, Tanzania, Ethiopia, South Sudan, Southern Africa and West Africa. For more information visit our website www.amref.org

Purpose of the Job:

The overall objective of the proposed consultancy is to produce audio-visual material documenting Focus Group Discussions with Juba community members concerning epilepsy and People with Epilepsy (PWE).

Project Specific Objectives:

- 1) To conduct 4 focus group discussions (FGDs) in Juba, South Sudan
- 2) To produce audio-visual material on the above mentioned FGDs.

Expected Deliverables

- FGD guides used for the conduction of the FGDs;
- Profiles of FGD participants, their contact information, signed participants' consent forms; FGD group compositions and attendance lists;
- Raw audio-visual material recorded;
- Transcripts of FGDs in the original language;
- English translation of the original transcripts;
- Edited video (with English subtitles).

Job Requirements

The Consultant can be either an individual, a team or an organization. In all cases, the Consultant(s) shall be able to demonstrate:

- University level qualification in Public Health, Social sciences or related fields.
- Significant experience in conduction of Focus Group Discussions - if gained in South Sudan and in the health sector it would represent an additional advantage.
- Excellent verbal and writing skills in English and in local language.
- At least 3 years of experience in producing audio visual material for media outlets and /or development organisations.

- Excellent technical capacities (e.g. state of the art filming equipment, preferable in high definition) to ensure smooth and high quality production.
- Necessary permits/licences to carry out video recording.
- Committed to work and meet the dateline as agreed with the NSA consortium coordinator.

Timeframe

The expected timeframe of the consultancy is 22nd June (15 working days, over a one month period)

Payment modalities

The proposed terms of payment are as follows:

100% upon successful and satisfactory completion of the project

Application

This is a challenging opportunity for dedicated and highly motivated South Sudanese professional(s). If you would like to join this dynamic team and help bring lasting health change in Africa, please send: detailed technical proposal; detailed Financial Proposal (including all expenses separated by cost category); evidence of past performance of similar work; Curriculum Vitae of professionals to be engaged in the Consultancy; detailed work schedule/plan; copy of filming license or similar valid permit; addressed to the **Human Resources**, ONLY by e-mail to Jobs.southsudan@Amref.org quoting the position (i.e. "Conduction & video-recording of FGDs on epilepsy") in the subject matter. The closing date for submitting applications is 10th June 2020. We regret that only short-listed candidates will be contacted.

Amref Health Africa is committed to the principles of safeguarding. Amref Health Africa will not tolerate any form of abuse, discrimination, and harassment.
