AP  
REPUBLIC OF SOUTH SUDAN, NORTHERN BAHAR EL GHAZAL STATE, MINISTRY OF LABOUR, PUBLIC SERVICE & HUMAN RESOURCE DEVELOPMENT, DIRECTOR GENERAL'S OFFICE, 07/6/2024

**VACANCY NOTICE**

**Job Title**

**Enumerator - Infrastructure Mapping**

**Location**

**Awel Town, Awel East and Awel North, NBG, Sudan South**

**Reporting to**

**Field Coordinator**

**Organization View**

**AGENCY FOR CHILD RELIEF AID (ACRA)** is a national Non-Profit, Non-Government Humanitarian Organization established by dedicated South Sudanese professionals. ACRA aims to offer sustainable livelihood opportunities to support and improve the lives of vulnerable children and populations in both urban and rural areas of South Sudan. The organization works to ensure access to essential services such as Child protection, Education, Gender-Based Violence (GBV) prevention and awareness, Safe Water Supply, Sanitation facilities, Sustainable Food Security & Livelihoods, Nutrition, and Primary Health Care services while upholding human rights principles and promoting peace and social well-being for all.

**Vision:** A society where children and vulnerable communities are empowered and equitably access sustainable livelihood opportunities.

**Mission:** ACRA mission is to provide Hope and Recovery to conflict and natural disaster affected children and communities through engagement in the sectors of Livelihoods, Environment, Education, Protection and Emergency Aid.

**Between June and August, 2024, ACRA has contracted by Samuel Hall to conduct data collection to inform research focused on the Pockets of Hope (PoH) areas to drive data-informed, area-based planning. The goal is to provide a baseline understanding that will guide both humanitarian and development initiatives. The core of this initiative lies in conducting service mapping and assessments, along with service delivery assessments and community consultations (qualitative and quantitative).**

**The project endeavours to generate four comprehensive community-based assessments and service gap analyses. This will aid UNHCR, governmental bodies, and associated partners in predicting the requirements for various services in the return areas, supporting not only the returnees but also the national systems that will bear the increased demand.**

**The goal is to assess to which degree those return areas are ready to absorb more people (returnees) moving there. This will depend on many things such as availability of shelter, livelihood opportunities, schools, hospitals, administration, conflict, spaces to socialise, but also how welcoming people already living there are.**

**Roles & Responsibilities/Job Description**

**As part of this study, you are obligated to carry out the following activities:**

**Training Participation (4 days), Piloting & Pilot debrief (1 day):**

- Attend training sessions on survey instruments, data collection methods, and project objectives.
- Engage actively in training to enhance understanding of research protocols.
- Participate in tool piloting and share feedback during the feedback session.
