## Vacancy announcement

Malteser International (MI) works as an international humanitarian aid organization. It is an aid organization of the Catholic Order of Malta and particularly fulfils the order's mission of "helping those in need". The mission is to improve the health and living conditions of suffering and displaced people worldwide. The organization provides aid to people in need in over 140 projects in 35 countries, regardless of religion, political persuasion, origin or gender. Christian values and the humanitarian principles of humanity, neutrality, impartiality and independence form the basis of its work.

Malteser International has been working in South Sudan since 1996, implementing projects in WASH, Food Security, Health, and Livelihoods. Malteser International is an active recognized member of the Humanitarian community addressing the needs of the most vulnerable and affected population.

Malteser International is looking for a qualified candidate (both internal and external) to fill a fixed term position of Pottery Consultant/Technical Trainer for a period of 6 months.

This position will be based in Yei office. The Pottery Consultant/Technical Trainer reports to the Livelihood Supervisor and Location Project Manager.

Malteser International is committed to achieving workforce diversity in terms of gender, nationality and culture. Individuals from minority groups, indigenous groups and persons with disabilities are equally encouraged to apply. All applications will be treated with the strictest confidence.

### Advertised Position – Pottery Consultant/Technical Trainer

<b>Location</b>	Yei, Central Equatoria, South Sudan
<b>Application Deadline</b>	18 <sup>th</sup> December 2023.
<b>Project Category</b>	Sustainable Development and Poverty Reduction - Multisectoral resilience strengthening for returning and host communities in Yei County, South Sudan
<b>Languages Required</b>	English, Arabic, Kakwa, other local languages
<b>Duration of initial contract</b>	01.04.2024 – 31.08.2024 (6 months)

### Background

Due to the prevailing precarious socio-economic situation of women in Yei and South Sudan in general, MI plans to train, promote and mentor women in Yei in soap and pottery making. Direct target groups are single mothers, widows, older women, school dropouts and women with disabilities and/or chronic diseases. Through the initiative, vulnerable women can pursue their own income-generating activities, secure their livelihoods and thus also send their children to school. We train six groups of 10 women each who receive training, start-up kits and mentoring in soap and pottery making. The trainings include all the important steps from sourcing materials to marketing (low-cost promotion through Facebook, Messenger, Instagram and others, depending on skills) and selling in the market. Through the distribution of start-up kits, the participating women also receive the necessary basic equipment of materials and means of production to start

VA released date: 04/12/2023

their own entrepreneurial activities. The planned measures thus enable the participating women to actively participate in the economic life of their communities and at the same time contribute to strengthening their economic independence. The formation of savings groups is also to be established as part of the intervention.

### **Duties and Responsibilities**

- Conduct pottery trainings to women groups. Practical demonstration of the pottery making process and the end product.
- Creation of the methodology and training/workshop schedule.
- Work with the Livelihood Supervisor on procurements and logistics.
- Support the implementation of the livelihood components of the programme.
- Support the implementation of the livelihood components of the programme focusing on achievement of the results:
  - The target group is trained in a skilled craft activity (soap making/pottery production) and empowered for entrepreneurial use.
  - The establishment of savings groups provides the target group with increased access to income generation.
- Monitor programme implementation of women groups in their selected craft activity in accordance with agreements, work-plans, deliverables and timelines.
- Provide inputs and feedback to reporting.
- Is a point of reference to the project beneficiaries; technical advice and support to participants during the training/workshop and regular field visits.
- Organize and facilitate training, information-sharing and knowledge-sharing events for MI personnel and women groups as thematic expert on pottery.
- Undertakes regular field visits;
- Conduct the evaluation of the training/workshop.
- Work with the Livelihood Supervisor to produce a report on the conducted trainings.

### **Professional experience**

- Experienced potter with at least 3-5 years of experience working in the domain.
- Experience working in similar assignments including demonstrable experience with pottery and its marketing.
- Knowledge on regulatory requirements (sourcing materials) in pottery.

### **Professional requirements for pottery training**

- Understanding the steps/processes from sourcing the clay to selling it to wholesalers (sourcing, preparing the clay, making of pot, sun drying, colouring of pot, making the oven, baking the pots, marketing).
- Understanding and utilizing materials, ingredients and equipment needed for pottery.
- Safety aspects of working with the ingredients.
- Marketing of the manufactured clay pots and other pottery creations.

### **General professional requirements**

- Creativity.
- Self-development, initiative-taking.
- Learning and sharing knowledge and encourage the learning of others. Promoting learning and knowledge management/sharing is the responsibility of each staff member.
- Informed and transparent decision making.

VA released date: 04/12/2023
