EDUCATION DEVELOPMENT CENTER (EDC)

Education Development Center (EDC) is a global nonprofit Organization that advances lasting solutions to improve education, promote health, and expand economic opportunity, with a focus on vulnerable and under-served populations. Since 1958, we have been a leader in designing, implementing, and evaluating powerful and innovative programs in more than 80 countries around the world.

EDC promotes equity and access to high quality education and health services and products that contribute to thriving communities where people from diverse backgrounds learn, live, and work together. We support an inclusive workplace culture that embraces many perspectives and broadens our understanding of the communities we serve, enhancing and enriching our work.

EDC is committed to equity, diversity, and inclusion in the workplace.

We are looking for candidates who share EDC's commitment and understand the importance of cultural responsiveness in today's context.

Project Description

The USAID Youth for Empowerment Activity will reach 25,000 South Sudanese youth in 13 counties across five states (Eastern Equatoria, Jonglei, Unity, Upper Nile, and Western Bahr el Ghazal) over a four-year period. This community-based intervention will establish a vibrant Youth Corps and support local organizations enhance youth-friendly service offerings. The USAID Youth Empowerment Activity will tailor its intervention to meet the realities of each implementation area and to best support a diverse group of youth with varied capacities and aspirations to reach their full potential.

Job Description

The Zone Supervisor will effectively be involved in the planning and implementation of the youth empowerment activities in Juba. He/She will provide effective support and leadership to the team to ensure smooth programme implementation in line with the objectives of the USAID Youth Empowerment Activity that seeks to increase economic self-reliance for youths in South Sudan leading to increased incomes. The Zone Supervisor reports to the Training Specialist.

Major Responsibilities

- He/She will spearhead the implementation of the program activities in Juba and its surrounding areas.
- He/She, in conjunction with the program, M&E and operation teams will be actively involved in the planning, execution, monitoring of program implementation process.
- He/She will organize, spearhead, and monitor youth training and partners' capacity building activities in Juba and its surroundings.
- He/She will support capacity building activities of Civil Society Organizations.
- He/She will mobilize youth participants, trainers, and increase community support for the program.
- He/She will take lead in the development of weekly updates, quarterly reports, program implementation plan, and other related documentations.
- He/She will gather and compile data and information for the preparation of program documents, guidelines, and other material as required.
- He/She will coordinate meetings of the center management committees and advisory groups – where necessary.
- He/She will keep track of the information of trainers and youth enrolled in the program and encourage retention at Juba level and its surrounding.
- He/She will participate in trainings for the projects staff.
- He/She will contribute to knowledge networks and communities of practice.
- Performs other related duties as required.
