About CMMB

Catholic Medical Mission Board (CMMB) is an international, faith-based, non-governmental, humanitarian and development organization with a special focus on providing health services, strengthening health infrastructure and building health capacity for 'healthier lives worldwide'. CMMB has been implementing comprehensive health programming focusing on women and children in South Sudan since 2009. Programs include Maternal, Neonatal and Child Health care (MNCH), HIV&AIDS, Nutrition, Child Protection (CP) and Gender-Based Violence (GBV). CMMB provides health services through a two-pronged approach namely (i) facility based and (ii) community-based services that promote health seeking and health sustaining behaviors to reduce morbidity and mortality among the most vulnerable, women and children. CMMB's Child Protection program funded by UNICEF seeks to prevent and respond to Child protection and GBV issues through provision of comprehensive case management and psychosocial support services for vulnerable children/survivors of violence, abuse and exploitation; Strengthening related referral systems; awareness raising and community engagement. The program is in its fifth year of implementation in Western Equatoria State and will build on the significant gains made in partnership with UNICEF.
