P. O. Box 433 Juba – South Sudan | recruitments@yocare.org | +211 922 222 906

JOB DESCRIPTION FOR KEY POPULATION ART NURSE (3):

JOB VACANCY: Yo'Care-VA-13-G5S1-2021

Yo' Care South Sudan is seeking qualified persons for the positions of ART Nurses (Bor, Rumbek and Wau).

Established in December 2009, Yo' Care South Sudan is a not-for-profit, non-political, Non-Government Organization (NGO) based in Juba, South Sudan. The organization is run by South Sudanese medical, healthcare, and nutritional professionals to create, develop, and provide comprehensive and integrated healthcare, nutrition, and WASH (Water, Hygiene and Sanitation) services to the South Sudanese public. It has been operating in South Sudan since 2010 and currently implement Health, Nutrition and WASH programmes in Central Equatoria, Lakes, Unity, Jonglei, Eastern Equatoria, Western Barhel Gazal and Western Equatoria States.

Yo' Care South Sudan is a consortium partner for the USAID funded Advancing HIV & AIDS Epidemic Control (AHEC) Activity in South Sudan and in this regard, would like to use some of the proceeds from the funding to recruit interested and qualified applicants for the following position below:

YO' CARE SOUTH SUDAN

Plot No. 4, Block B-VI, Munuki, along 107 Road, 3rd Class Residential Area

P. O. Box 433 Juba – South Sudan | recruitments@yocare.org | +211 922 222 906

South Sudan. The organization is looking for qualified candidates to ensure competent execution of these project activities by supporting outreach team, support peer leaders in mobilization and outreach plans, ensure correct documentation, compile and present accurate data, providing adherence counseling, and collect samples.

If you also have excellent people skills, business acumen and exemplary work ethics, we'd like to meet you.

SPECIFIC DUTIES & RESPONSIBILITIES:

Specifically, and under the overall guidance of the Program Manager, (Health & Nutrition), and the KP Project Officers, the ART Nurse roles, responsibilities and engagement includes but not limited to;

- Initiate and roll out viral load sample collection
- Support in assessing field sites and plan mobile clinical outreach services.
- Support in organizing and keeping track of mobile outreach commodities.
- Provide one-on-one and group health education to beneficiaries, both at the office and in the field.
- Support provision of family planning and STIs commodities.
- Facilitating referral and linkage to treatment and provide enhanced adherence counseling.
- Provide knowledge to recognize, prevent and refer cases of IPV/SGBV
- Ensure continued community-based GBV education, screening and psycho-social support
- Facilitate facility-based GBV management
- Competently represent Yo 'Care in different fora.
- Any other duties assigned.

WAYS OF WORKING:

- You will take full ownership of your work, but may ask for support from more senior members of the team on unusually complex problems.
- You must be a self-starter and know when to ask for guidance, challenge or sign off.
- You will support other members of Yo' Care South Sudan as required
- You will report to KP Project Officer as required on your area of work.
- Supervise the work and performance of team below you ensuring that the teams are supported to deliver on agreed daily, monthly, quarterly and annual deliverables, targets and work plans.
- Any other tasks delegated to the ART Nurse by Program Manager, (Health & Nutrition).

SKILLS & QUALIFICATIONS:
