

TERMS OF REFERENCE

Position: General Airport Terminal Services Manager
Duty station: Juba
Application start: 06/02/2023
Application end: 23/02/2023

OVERVIEW OF CTG GLOBAL

CTG staff and support humanitarian projects in fragile and conflict-affected countries around the world, providing a rapid and cost-effective service for development and humanitarian missions. With past performance in 17 countries – from the Middle East, Africa, Europe, and Asia, we have placed more than 20,000 staff all over the world since operations began in 2006.

CTG recruits, deploys, and manages the right people with the right skills to implement humanitarian and development projects, from cleaners to obstetricians, and mechanics to infection specialists, we're skilled in emergency response to crises such as the Ebola outbreak in West Africa. Key to successful project delivery is the ability to mobilize at speed; CTG can source and deploy anyone, anywhere, in less than 2 weeks and have done so in 48 hours on several occasions.

Through our efficient and agile HR, logistical and operational services, CTG saves multilateral organizations time and money. We handle all our clients' HR related issues, so they are free to focus on their core services.
