About RI: Relief International is a leading nonprofit organization working in 20 countries to relieve poverty, ensure well-being and advance dignity. We specialize in fragile settings, responding to natural disasters, humanitarian crises and chronic poverty. Relief International combines humanitarian and development approaches to provide immediate services while laying the groundwork for long-term impact. Our signature approach — which we call the RI Way—emphasizes local participation, an integration of services, strategic partnerships, and a focus on civic skills. In this way, we empower communities to find, design and implement the solutions that work best for them.
