

## PROCUREMENT ANNOUNCEMENT

### Request for Proposals: **Air Charter Service Provision**

**ATTENTION ALL INTERESTED SUPPLIERS:**

The Carter Center in South Sudan is seeking to select a vendor as the preferred provider of the items indicated below. A Framework Agreement (FWA) between TCC and the successful vendor will result from this process. The purpose of the FWA will be to provide a framework within which goods and services can be bought and sold at pre-determined prices for as long as both parties continue to desire to do so, up to a maximum of 1 year. However, the FWA will not compel either party to do business with the other. If, at any time and for any reason, either party wishes to end its participation under the agreement it may be cancelled without notice. In such an event, a new competitive tender process will be undertaken to select a new partner as the preferred provider of the respective items.

If you are interested in bidding for this agreement, please provide us a proposal to supply the items indicated below (and in the attached list, if indicated). Note that the prices quoted in your proposal will be the prices at which items will be purchased from the successful bidder for the duration of the FWA. No negotiation of prices is permitted in this process.
