

**MSF SPAIN IS OPENING THE RECRUITMENT OF: BIOMED SPECIALIST
(BASED IN JUBA WITH FREQUENT VISITS TO THE FIELDS/ PERMANENT CONTRACT/STARTING WITH 6
MONTHS/LEVEL8)**

In line with our Strategic Orientations we are actively seeking to improve the gender balance in the organization, particularly in the logistics and supply department, and That's why, females are strongly encouraged to apply.

Medecins Sans Frontieres/Doctor without Borders (MSF), founded in 1971, is an international humanitarian organization that provides emergency medical assistance to population in danger in more than 60 countries. MSF has been present in South Sudan for 30 years. Médecins Sans Frontières is an international independent medical-humanitarian organization, which helps populations in distress, to victims of natural or man-made disasters and to victims of armed conflict, without discrimination and irrespective of race, religion, creed or political affiliation.

MSF is a civil society initiative that brings together individuals committed to the assistance of other human beings in crisis. As such MSF is by choice an association. Each individual working with MSF does it out of conviction and is ready to uphold the values and principles of MSF.

Main Purpose
