**Nutrition Coordinator – external recruitment  
based in Aweil**

Announcement date: 10<sup>th</sup> October 2023

Closing date 27<sup>th</sup> Oct 2023

**Contract duration:** three months' probation period with possibility for extension for 12 months.

**Salary grade:** 6

**Background:**

WHH is implementing a GIZ funded project titled "Driving change towards community-led management of water catchment areas" (Oct 2022-Dec 2024) which aims at strengthening capacities of youth, women and men in Aweil West/ Centre of Northern Bahr el Ghazal (NBeG). The capacity strengthening activities will target of existing community nutrition volunteers who are responsible for the roll-out of social and behaviours changes program in the target communities to drive positive impact on nutrition behaviours of people living in the target communities. The intervention project is implemented in close coordination with UNICEF and WFP's ongoing nutrition activities.

**Job purpose:**

The Nutrition Coordinator technically advises and supports the Nutrition Officers and Community Nutrition Volunteers in the targeted project areas. The selected candidate will develop, lead, monitor and evaluate social and behaviour change activities for improved nutrition practices in the targeted households. Further, he/ she will coordinate and network with other stakeholders in the nutrition sector in NBeGs, including representatives from line ministries, local administration, donors, CSO, UN, and represent WHH in relevant coordination meetings at county and state level. The Nutrition Coordinator works closely with the Country Office-based Nutrition Expert and reports to the Head of Project.

**Key responsibilities:**

- Roll out training plans under the leadership of the Nutrition Expert and the Head of Project.

- Provide the technical support to the nutrition teams in all project sites, including the evaluation and impact analysis of current projects
- In consultation with Country Office-based Nutrition Expert, contribute to the design of appropriate tools for projects contribute to the writing of donors' proposal and reports within the require timeframes.
- Carry out regular monitoring visit in conjunction with other Sector Leads ensuring that project objectives are met within the stated timeframes and in accordance with recognized international standards.
- Support the Head of Project to develop and maintain relationships with State-level Ministry of Health, UN, NGOs, donors, partners and other stakeholders, with the objective of raising awareness of WHH's work and ensuring good cooperation and partnerships.
- In consultation with the Head of Project represent WHH, as appropriate, at sub-national Nutrition Cluster, coordination, sector and bilateral meetings, work groups, with local government departments and any other relevant meetings or events.
- In consultation with the Head of Project, ensure that the nutrition project expenditures are in line with approved budgets, advising on potential under/overspending and recommending appropriate corrective action.
- Support the budget oversight for the nutrition-related activities in the project.
- Undertake nutrition staff dialogue meetings annually or at other times and facilitate staff capacity development.

### Your profile:

- A minimum of bachelor's degree in nutrition or related field.
- Minimum three years relevant experience in the field of Nutrition with strong knowledge in nutrition specific and sensitive approaches.
- Sound skills and experience in integrated programming (Nutrition, WASH, Gender and protection mainstreaming). Experience in IEC material development is an added advantage.
- Good training and community-level facilitation skills and experience (development, participation).
- Knowledge of and experience in gender dynamics in the local context of NBeGs and/ or wider national context.
- Proven ability to train, lead and supervise other staff members to deliver successful projects.
- Experience and ability in qualitative and quantitative data collection methods, data management and analysis using tools such as Excel, AkvoFlow/ Kobo. Ability to use Microsoft Word, Excel, PowerPoint, MS outlook applications and other relevant packages (familiarity with MS Teams is advantage).
- Ability to understand, acknowledge and timely communicate own capacity and performance level and limits.
- Very good command of English language (written and spoken) is required.
- Arabic (spoken), Dinka/ Jur languages are added advantages.
- Commitment to strictly adhere to WHH principle and policies as laid down in its code of conduct and maintain a spirit of cooperation with WHH staff, other NGOs, project partners, local authorities etc.
- Flexibility and willingness to learn and work in new environment. Experience in working in Northern Bahr El Ghazal is an added advantage.
- Ability to work both in a team and independently.
