

PROCUREMENT ANNOUNCEMENT - AIR CHARTER SERVICE.

Agency for Child Relief Aid (ACRA) is inviting all operators to participate in a selection process for the supply of Air Charter Service as specified in the attached Procurement Announcement below;

Agency for Child Relief Aid (ACRA) is seeking to select a vendor as the preferred provider to transport supplies within South Sudan in particular Maiwut County, Upper Nile state. A Framework Agreement (FWA) between ACRA and the successful bidder will result from this process. The purpose of the FWA will be to provide a framework within which goods and services can be bought and sold at pre-determined prices for as long as both parties continue to desire to do so. However, the FWA will not compel either party to do business with the other. If, at any time and for any reason, either party wishes to end its participation under the agreement it may be cancelled without notice. In such an event, a new competitive selection process will be undertaken to select a new partner as the preferred provider of the respective item(s).

This process will select the most competitive proposal on the basis of price, availability (delivery lead time) and reliability (as demonstrated by past experience with The Agency for Child Relief Aid (ACRA) or through favorable references). The successful bidder will receive a fixed price Framework Agreement contract for a term of up to 6 months. The prices quoted in the winning bidder's proposal are the prices that will be used for the FWA, as no negotiation on price is permitted in this process.

Note that The Agency for Child Relief Aid (ACRA) is not obligated to select the proposal with the lowest price, nor any proposal at all. If no proposal meets the requirements of the organization the process may be ended without awarding a contract.
