Description:	<u><b>Supply of Fuel (Diesel and Petrol) within South Sudan</b></u>

For:	<u><b>Shejeh Salam Activity, implemented by DT Global</b></u>

### **Section 1: Instructions to Offerors**

1. **Introduction:** The Shejeh Salam is a 5-year USAID funded Activity, implemented by DT Global, and has been operational in South Sudan since September 30, 2020. Shejeh Salam will help the process toward its overall goal to strengthen the foundation for a more self-reliant South Sudan by empowering citizen and community actors who have been deeply affected by current conflict.

The purpose of this RFQ is to solicit quotations from eligible vendors for as-needed, ad-hoc purchases of the goods and/or services as described in **Section 2 – Scope of Work**. As a result of this RFQ, Shejeh Salam anticipates issuing one or multiple Blanket Purchase Agreement(s) (BPA), to establish specific pricing levels and parameters for ordering of these goods and/or services. This will allow the Shejeh Salam Activity to issue specific Call Orders (CO), on an as-needed basis, for the procurement of these goods and/or services over a 12-months period. The Supplier shall furnish the goods and/or services described in any CO issued by DT Global under the BPA resulted from this RFQ. DT Global is only obligated to pay for goods and/or services ordered through Call Orders issued under the said BPA and delivered by the Supplier in accordance with the terms/conditions of this BPA.

2. **Offer Deadline and Submission Protocol:** Offers must be received no later than the date and time specified in the “Deadline for Quotes:” section above. Offers are to be received in electronic version only and by email. Offers must be emailed to [shejehsalam-procurement@dt-global.com](mailto:shejehsalam-procurement@dt-global.com)

Please reference the RFQ number in any response to this RFQ. Offers received after the specified submission time and date will be considered late, hence disqualified. Late submissions will be considered only at the discretion of DT Global.

3. **Questions:** Questions regarding the technical or administrative requirements of this RFQ may be submitted no later than **July 22, 2021 [12:00] hrs (South Sudan, UTC+3 Time zone)** by email to [shejehsalam-procurement@dt-global.com](mailto:shejehsalam-procurement@dt-global.com). Phone calls will not be accepted. Questions and requests for clarification—and the responses thereto—that DT Global believes may be of interest to other offerors will be circulated to all RFQ recipients who have indicated an interest in bidding. DT Global would make efforts to provide responses to any questions within 24 hours.

Only the written answers issued by DT Global will be considered official and carry weight in the RFQ process and subsequent evaluation. Any verbal information received from employees of DT Global or any other entity, should not be considered as an official response to any questions regarding this RFQ.

4. **Scope of Work:** Section 2 contains the Scope of Work for the required goods and/or services that may be ordered under the BPA and technical qualifications that the selected offeror must possess.
5. **Quotations:** Quotations in response to this RFQ must be priced on a fixed-price, all-inclusive basis. Prices must be presented in United States Dollars (USD). Prices must be inclusive of all costs. Offers must remain valid for not less than thirty (30) calendar days after the offer deadline. If your offer results in a BPA, prices quoted must remain fixed for the entire period of 12 months of the validity of the said BPA. Offerors are requested to provide quotations on their official quotation format or letterhead.

Currently, due to the nature of the Shejeh Salam Activity, specific quantities of goods and/or services under any BPA resulting from this RFQ are unknown. Specific quantities will depend on the needs of the Shejeh Salam Activity. Individual Call Orders will be issued under the BPA agreement, as the need arises for additional goods and/or services. DT Global is therefore requesting pricing on per-unit basis for each goods and/or services, as specified in Section 2 – Scope of Work.
