Job Title: Food Security, Livelihood & Environment Coordinator (1 Post)
Location: Maban County
Duration: 6 Months with possible extension, depending on availability of funding
Reports to: Area Program Manager
Start Date: ASAP
Eligibility: South Sudanese National only

About RI: Relief International is a leading nonprofit organization working in 20 countries to relieve poverty, ensure well-being and advance dignity. We specialize in fragile settings, responding to natural disasters, humanitarian crises and chronic poverty. Relief International combines humanitarian and development approaches to provide immediate services while laying the groundwork for long-term impact. Our signature approach — which we call the RI Way— emphasizes local participation, an integration of services, strategic partnerships, and a focus on civic skills. In this way, we empower communities to find, design and implement the solutions that work best for them.

RI believes that gender equality is a basic right for all people, and it is critical to directly address gender-based discrimination and promote gender equality in order to ensure sustainable development.

Position summary:

The Food Security, livelihoods and Energy coordinator will provide day to-day technical leadership and oversight strategic support to the RI's FSL, Energy and Environment program in Maban. This involves the management of all the aspects of the program which includes, the project cycle management, recruitment, assessments, designing, monitoring, local staff capacity building, and performance management to the RI's FSL entire team. The position will require a representational role with incumbent having strong proposal writing skills, community engagement, and budget management and coordination

SPECIFIC JOB DUTIES AND RESPONSIBILITIES:

- Over sees the overall project implementation according to the proposal modalities with compliance and qualities according to donor's requirement.
- Provide technical lead in the development of FSL and environment project indicators, monitoring tools and provide a real time advice to project team through regular field visits
- Establish linkages and strong engagements with all relevant stakeholders such as community sectorial groups, line government departments and project participants.
- The holder will provide technical contribution during proposal developments and budgets
- Identify and build on successful community practices in achieving improved natural resources management at the community level.
- Ensures safeguarding of all project stakeholders including staff, beneficiaries, vendors and children.
- Identify approaches that are climate sensitive and do no harm to mitigate GHGs emissions.
- Coordinate and work with all the program staff and answer technical questions time to time related to natural resource management (NRM), Agriculture and economic empowerment.
- Ensures safety of all project team and whoever is participating in the program.
- The incumbent will strengthen community engagement processes in the project areas during beneficiary identification and solve problems that arise during the implementation and maintain high standards of child protection and quality of work.
- Adheres to all organizational procedures according to RI code of conduct and procedures
- Conducts professionally in all times to portray a good organizational image of RI during meetings and any other gathering.
- Performs any other duty assigned by the supervisor.

Specific skills,

1. Knowledge in climate sensitive nexus programing
2. Knowledge in economic empowerment programs
3. Coordination
4. Energy and Environment programing
5. Agriculture and other food security safety nets such as General Food Distribution

Other responsibilities: As assigned by supervisor

Confidentiality

- Ensuring the non-disclosure of any information whatsoever relating to the practices and business of RI acquired in the course of duty, to any other person or organization without authority, except in the normal execution of duty.
- Protect patient and beneficiary information.
