**BACKGROUND:**

The International Rescue Committee (IRC) responds to the world’s worst humanitarian crises and helps people to survive and rebuild their lives. Founded in 1933 at the request of Albert Einstein, the IRC offers lifesaving care and life-changing assistance to refugees forced to flee from war or disaster. At work today in over 40 countries and 22 U.S. cities, we restore safety, dignity and hope to millions who are uprooted and struggling to endure. The IRC leads the way from harm to home. IRC has operated in South Sudan for over 30 years now delivering humanitarian relief, post-conflict assistance, and development programs in both refugees, internally displaced and host community settings. IRC operates in 10 field offices including in Juba with program portfolio covering health, nutrition, Environmental Health (EH), child protection, economic recovery and development (ERD)/livelihoods, women’s protection, and empowerment, Education, and general protection. IRC continues to provide life-saving assistance and humanitarian aid to vulnerable South Sudanese, trying to rebuild their lives and restore peace. The IRC’s new strategy in South Sudan will prioritize improving health, safety, and economic well-being, targeting women, children, and other vulnerable.

**JOB OVERVIEW/SUMMARY/ SCOPE:**

The Radiographer/Sonographer will be responsible for the overall coordination radiology and sonography services at the Maban County Hospital - Bunj. He /she will closely work with the medical and clinical officers to service radiology and sonography requests from the departments. He/she will provide leadership support to support the repair/ possible procurement and installation of a new x-ray machine and work to develop a fully functional radiology department.

**Duties and Responsibilities**

- ❖ Evaluate patients’ medical condition and history to determine most suitable radiographic technique for diagnosis.
- ❖ Conduct quality and timely radiological investigations as requested/necessary.
- ❖ Interact with patients to offer them psychological support and address their concerns after an imaging procedure
- ❖ Adjust diagnostic equipment to deliver accurate amount of radiation to patients - Perform diagnostic imaging examinations like x rays, ultrasound and refer appropriately for CT scans.
- ❖ Produce x-ray films or radiographs of parts of the human body for use in diagnosing medical problems.

- ❖ Ensure radiation safety measures and protection devices are used and observed to ensure compliance and safety for both patients and staff.
- ❖ Ensure scheduled maintenance and minor emergency repairs on radiographic equipment are conducted.
- ❖ Ensure accurate documentation and care of patient records.

#### **Reporting and Coordination:**

- ❖ Ensure all patient records are properly documented in the patient request forms and registers with all aspects of results
- ❖ Ensure the weekly HIS reports are compiled and submit on time.
- ❖ Take lead in quality improvement at the department and be part of (Quality Improvement Committee (QIC)
- ❖ Ensure accurate inventory records are maintained at the department.

#### **Others:**

- ❖ Any other duties as assigned by the Health Manager

#### **Key Result Areas:**

- ❖ Ensure smooth running of the department,
- ❖ Ensure quality of care is maintained during the radiological exams.
- ❖ Ensure that universal radiologic precautions and infection prevention guidelines are adhered to in the department

#### **Qualifications:**

- ❖ Diploma/Degree in Medical Radiography from recognized institution
- ❖ 2 plus years' experience in a busy centre in ultrasound and X-ray department
- ❖ Must be registered by the radiation protection Board
- ❖ Must have a current and valid practicing license

#### **STANDARDS OF PROFESSIONAL CONDUCT:**

The IRC and IRC workers must adhere to the values and principles outlined in IRC Way Standards for Professional Conduct. These are Integrity, Service, Accountability and Equality. In accordance with these values, the IRC operates and enforces policies on Beneficiary Protection from Exploitation and Abuse, Child Safeguarding, Anti Workplace Harassment, Fiscal Integrity, and Anti-Retaliation the IRC operates and enforces policies on Beneficiary Protection from Exploitation and Abuse, Child Safeguarding, Anti Workplace Harassment, Fiscal Integrity, and Anti-Retaliation.

#### **SAFEGUARDING POLICY:**

The IRC has a zero-tolerance policy for safeguarding violations by staff, incentive workers, visitors, sub-grantees, suppliers/sub-contractors, and implementing partners. Safeguarding at the IRC is an integral to the organizational values and ethics, and staff and associates are expected to take all reasonable steps to prevent the

sexual exploitation, abuse, and harassment of any person linked to the program by both its employees and any downstream partner. The successful candidate will be subject to a thorough background check and satisfactory references.

### **NARROWING THE GENDER GAP:**

The International Rescue Committee is committed to narrowing the gender gap in leadership positions. We offer benefits that provide an enabling environment for women to participate in our workforce including a flexible hour (when possible), maternity leave, transportation support, and gender-sensitive security protocols

### **EQUAL OPPORTUNITY EMPLOYER:**

IRC is an Equal Opportunity Employer. IRC considers all applicants on the basis of merit without regard to race, sex, color, national origin, religion, sexual orientation, age, marital status, veteran status, disability, or any other characteristic protected by applicable laws
