

Terms of reference for documentation on achievement of RSRTF Phase-II and other World Relief South Sudan Activities

Contractor: World Relief South Sudan

Assignment: Documentation and Communication

Dates: August 15, 2023-September 30, 2023

Total Consultant Fees: To be discussed

Purpose: To assist World Relief in the process of documenting activities for the South Sudan Reconciliation, Stabilization, and Resilience (SS RSRTF) and other projects. The consultant will specifically work on activities related to the documentation of realized program outcomes.

Key consultancy tasks include:

1. Establishment of coherent, easy to use physical and online repository of documents for reference
2. Training key staffs on: use and management of the physical and online repository; good photo taking; impact story writing.
3. Organize program materials into coherent and consistent forms for final consumption
4. Summarize key program findings based on program available materials
5. Write and compile success stories on WRSS activities across the implementation locations
6. Documentation of human stories to support findings summarized from programs

Consultancy tasks will be delivered as provided in the work breakdown structure elaborated below;

Task #1: Development and training on materials repository

Aug 15, – Aug 31, 2023,

Activity	Due/End Date	Deliverable
Creation of intranet and share point for WRSS within the WR website	31 st Aug, 2023	intranet and share point developed within the WR website
Establishment of physical filing system		Physical filing system
Training key staffs on use and management of share-point and intranet	31 st Aug, 2023	Training key staffs on use of the intranet and share-point
Training of staff on good photo taking and impact story writing.	31 st Aug, 2023	Staff trained on good photo taking and impact story writing

Other notes:

- The intranet and share-point need to be organized into sectors and made easy for use.

Task #2: Organizing Programme Materials for ease of reference

Aug 15, 2023 – Aug 31, 2023,

Materials will be collected from field M&E teams and organized into the three pillars of Reconciliation, Stabilization and Resilience for the RSRTF project and for other cross-cutting on the sectors. Coordination will be regarded as a cross cutting theme.

Other program interventions include programming on Health, Nutrition, WASH, Food Security and Livelihoods as well as Integral Mission

Activity	Due/End Date	Deliverable
Collection and Review	31 st Aug 2023	Relevant program materials organized into physical files and stored in duplicates in Juba and Field Locations
Writing up Summary of findings	31 st Aug 2023	Maximum 10-page summary for the RSRTF Project (3 nexuses and coordination) Maximum 10-page summary for the other projects (Health, Nutrition, WASH, FSL and IM)
Presentation of the summaries to WRSS management	31 st Aug 2023	Presentation conducted

Other notes:

Summary reports should include relevant photos and diagrams where appropriate, concise and easy to read

Task #3: Development of programme and human stories

Documentation will be in both written scripts and video documentaries based on RSRTF Project and other WRSS Interventions as guided below;

Reconciliation

- OUTCOME 1: Individuals, particularly children and women are facing less violence at the community and local level
- OUTCOME 2: Communities have effective mechanisms in place that meaningfully include women and youth to resolve conflicts peacefully

Stabilization

- OUTCOME 3: Justice sector actors are more effectively delivering justice, even in areas with previously limited or no judicial infrastructure.
- OUTCOME 4: Communities, including women, youth, and disadvantaged groups are empowered and increasingly able to meaningfully participate in local and broader political, peace, and security processes.

Resilience

- OUTCOME 5: Community resilience is strengthened through increased economic opportunities and sustainable livelihoods
- OUTCOME 6: Reconciled communities have increased access to equitable and reliable basic services and reduced humanitarian aid dependency

Coordination

- Area Reference Group
- Role of Local authority -Governor, County Commissioner (CC), Payam Administrators and chiefs

- Role of the consortium Steering Committee (CSC), Project Management Team (PMT)

Other projects based on the sectors.

- Health
- Nutrition
- WASH
- Food Security and Livelihoods
- Integral Mission activities

This task will involve movement within Juba and field locations to speak with and document findings from project participants at various levels. Travel and accommodation costs will be covered by WRSS and consortium partners

September 1, 2023 – September 30, 2023,

Activity	Due/End Date	Deliverable
