

Annex 1:

Grassroot Level Peacebuilding and Reconciliation Activities Support Grant

Terms of reference for documenting the impact of the grant.

Brief introduction

Norwegian Church Aid (NCA), Finn Church Aid (FCA) together with two third- party entities, are implementing a grassroots level peacebuilding and reconciliation activities support project in Greater Upper Nile, Greater Pibor Administrative Area, and Kapoeta East County. The project aims to contribute to building sustainable peace and reconciliation in South Sudan, by increasing intra/inter community groups interactions/healing by ensuring that the communities co-exist peacefully and interact freely within and across communal boundaries. Overall, the project is supporting local communities and grassroots level peace structures to adopt community conversations/people-to-people dialogue, and peace advocacy as preferred approaches to addressing conflicts at the grassroots level. The project will close on 30th June 2024, NCA and partners are therefore planning to document the impact of the project by interacting with rightsholders to find out how it is strengthening local level reconciliation and peacebuilding in the 10 target locations in Baliet, Duk, Fangak, Fashoda, Malakal, Panyikang, Piji, Pochalla, Pibor, and Kapeota East County.

Purpose

NCA and partners are therefore looking for a competent communication expert with relevant experience in video and photography with focus on humanitarian work to be hired and travel to project locations in Jonglei, Upper Nile, Greater Pibor Administrative Area, and Kapoeta East County to interact with the rightsholders, to collect their views and opinions on the impact of the project in strengthening grassroots reconciliation and peacebuilding.

Main Tasks

The assignment involves, but not limited to the following tasks which a qualified individual will be expected to undertake.

1. Interview and interact with project rightsholders and document their views on the impact of the project in enhancing local reconciliation and peacebuilding.
2. Take quality photos and videos of the project rightsholders and adhere to donor and NCA's communication and visibility guidelines and Do no Harm principles.

3. Produce a short video clip and share it with NCA.
4. Translate/voice over where necessary.

Qualifications and competencies

1. University degree in mass communication from a recognised university.
2. 3-year work experience with local and International non- governmental organizations.
3. Registered journalist with Media Association of South Sudan is preferred.
4. Strong communication and analytical skills.
5. Strong writing and communication skills in English and Arabic.

Target locations

Due to logistical challenges and time constraint, the assignment will be carried out in the following target project locations.

S/n	Type of Activity	Specific Target locations	Duration	Person responsible
1	Meet project rightsholders and document the impact of the grant.	Fangak, Fashoda, Malakal, Baliyet, Pibor, and Pochalla.	2 weeks	Contractor

Delivery timeframe

The assignment is expected to be complete 2 weeks after its commencement.

Application

Qualified candidates are encouraged to drop their updates resume and a one-page cover letter to NCA office in Juba or Malakal.
