JOB VACANCY: FSL Project Officer (1)

50-H-3
Approved by
Supervisor for HR
MOL
08 OCT 2022

AVSI Foundation is a global non-governmental organization with headquarters in Italy. Its mission is to support human development in developing countries according to the social teaching of the Catholic Church: recognizing the uniqueness of each person, who as such cannot be reduced to a number within an anonymous category such as “the poor, the sick, the disabled”. Furthermore, every person and every community represent a resource, regardless of their vulnerability. This is why AVSI Foundation works to help people in becoming aware of their own value and dignity. AVSI Foundation is operating in South Sudan since 2005, implementing medium to long-term sustainable health, education, water & sanitation, food security and emergency relief programmes.

AVSI Foundation organisation is now seeking to recruit a suitable qualified South Sudanese National to be based in Kapoeta Counties for the position of **Food security and livelihood Officer**.

Purpose of the position:

The FSL Project Officer shall be assisting the implementation of the resilience livelihood project funded through partnership with the United Nation Food and Agriculture Organization in Kapoeta East/South County. He/she shall provide technical support required to the team through supervision, management and reporting of the project progress. Liaise with the FSL manager and specialist during the project implementation process. He/she will be implementing FSL related trainings, monitoring and reporting of project activities, and work closely with local and county authorities especially the CAD and RRC.

Duty Station: Kapoeta County (South and East).

Starting Date: ASAP

Duties and responsibilities:

- Ensure that Agriculture and Food Security outputs meet project objectives and are aligned with International best practice and consider cross cutting issues such as gender and sustainability.
- Support the direct implementation of the activities while following guidelines on Accountability to Affected Populations for registration of beneficiaries and providing summary reports in a timely manner;
- Ensures selection of beneficiary households within the target areas are following the approved beneficiary selection criteria.
- Establish and monitor veg/crop groups and demo plots/APFS, in coordination with the CAD, as per project requirements and continuous follow up.
- Ensure appropriate support to the field sites where the program is implemented through regular visits;
- Collaborate/facilitate in the on-job training in Agriculture and Food Security, and support project implementation for community groups and extension workers.
- Ensures selection of beneficiary households within the target areas are following the approved beneficiary selection criteria.
- Ensure implementation and follow up of NRM activities as requested by the project manager.
