**JOB TITLE:** County Distribution Coordinator. ( Consultancy )

**NUMBER OF POSITIONS:** 10 (1 per county)

**LOCATION:** Ezo, Ibba, Maridi, Mundri East, Mundri West, Mvolo, Nagero, Nzara, Yambio, and Tambura.

**START DATE:** As soon as possible.

### **Background**

HealthNet TPO is an international non-profit organisation that supports people living in areas disrupted by war, disaster, and poverty. Our mission is to strengthen communities, help them regain control, and maintain their own health and well-being. At the same time, we contribute to strengthening the national health care systems to ensure health needs are met. Our interventions engage local people as we are convinced that even the most vulnerable people have the inner strength to (re)build a better future for themselves. HealthNet TPO, established in 1992 with headquarters in the Netherlands, has been present in South Sudan since 1996.

### **Your role**

Under the direct supervision of the Project Manager, the job holder is based in any of the Counties listed above and is responsible for coordinating the implementation of the national mass distribution methodology for long-lasting treated nets in South Sudan. The position is responsible for mobilising the targeted stakeholders, coordinating training activities at the County and Payam levels, overseeing the logistics of nets across the County, supervising distribution exercises, and monitoring post-distribution activities in the County of assignment.
