Humanitarian Global

As humanitarian and development organizations prepare for a new programming cycle, the final quarter of the year presents the ideal opportunity to strengthen staff capacity, enhance organizational performance, and position teams for successful project delivery.

Humanitarian Global invites professionals from **UN Agencies, International & National NGOs, CBOs, FBOs, Government Institutions, Development Partners, and the Private Sector** to join our **Q4 Executive Training Series 2026**—a portfolio of practical, internationally accredited programmes designed to equip participants with future-ready skills for today's humanitarian and development landscape.

Why Train with Us?

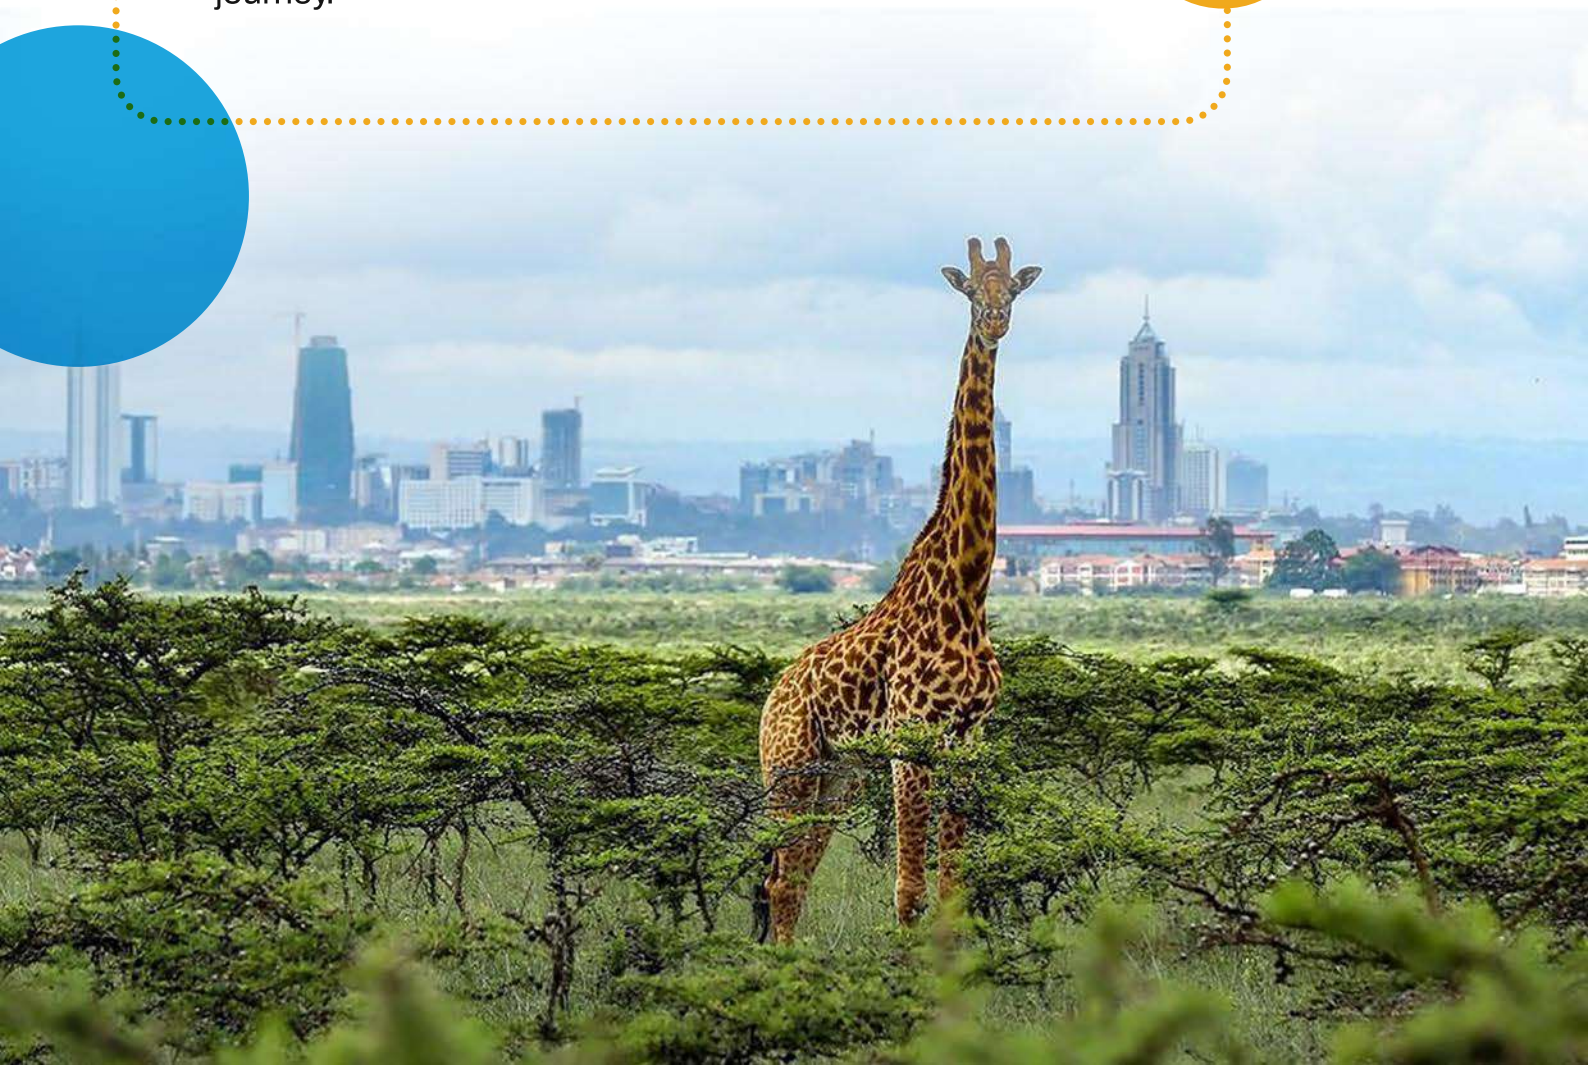

Learn from experienced international practitioners with extensive humanitarian and development expertise.

Network with professionals from UN agencies, NGOs, government institutions, donors, and the private sector from around the world.

Earn internationally recognized certifications through CPD UK, NITA (Kenya) and HPass Digital Credentials.

Experience engaging learning through practical exercises, field visit in Kenya, simulations, case studies, and interactive team-building sessions.

Experience a unique Nairobi safari adventure and Kenya's iconic wildlife, adding an enriching and memorable dimension to your professional learning journey.

Why Organizations Choose Humanitarian Global

Humanitarian Global is a trusted capacity-building partner, having successfully trained over 50,000 professionals from more than 200 organizations across 70+ countries. Our programmes are practical, results-oriented, and tailored to the evolving needs of humanitarian and development organizations.

Whether you are investing in your own professional growth, developing your team, or strengthening organizational capacity, our flexible online, onsite in Nairobi, and customized in-house programmes provide practical, immediately applicable skills, internationally recognized certification, and valuable professional networks that deliver lasting impact for both individuals and organizations.

End the year by investing in your professional growth, expanding your global network, and preparing your organization for greater impact in 2027.
