BACKGROUND/INTRODUCTION

Islamic Relief is an independent humanitarian and development UK based organization, with an active presence in over 40 Countries across the globe, we strive to make the world a better and fairer place for people still living in poverty. Islamic relief began its humanitarian operation in South Sudan in 2004 focusing on providing lifesaving aid and implementing developmental Programmes to support people affected by flood, drought and Conflict establishing three sub offices in Narus (Kapoeta East), Wau, Warrap. A satellite office in Yei and Main office in Juba.

With funding from SIDA, Islamic Relief is implementing a project “South Sudan integrated emergency response in WBeG and CE” . The project aimed at saving lives, reduce suffering, and increase human dignity among the conflict affected IDPs, host, returnees communities in Western Bahr el Ghazal (Wau) and Central Equatoria (Wau, Yei & Kajo keji).

As well as responding to disasters and emergencies, Islamic Relief promotes sustainable economic and social development by working with local communities - regardless of race, religion or gender.

Our vision:

Inspired by our Islamic faith and guided by our values, we envisage a caring world where communities are empowered, social obligations are fulfilled and people respond as one to the suffering of others.

Our mission:

Exemplifying our Islamic values, we will mobilize resources, build partnerships, and develop local capacity, as we work to:

Enable communities to mitigate the effect of disasters, prepare for their occurrence and respond by providing relief, protection and recovery.

Promote integrated development and environmental custodianship with a focus on sustainable livelihoods.

Support the marginalized and vulnerable to voice their needs and address root causes of poverty.

We allocate these resources regardless of race, political affiliation, gender or belief, and without expecting anything in return.

INTRODUCTION

Through this project, Islamic Relief planned to rehabilitate/construct gender sensitive WASH infrastructures; provide agricultural inputs and training on farming, crop disease prevention, harvest and storage; provide cash for work and unconditional cash transfers; and upgrade and capacity build one Primary Health Care Unit (PHCU) and two outreach sites in Wau and provide basic health and nutrition services.

Furthermore, the intervention will give due attention to Protection and Inclusion related matters, based on its elaborated policy on Prevention of Sexual Exploitation and Abuse (PSEA) and Safeguarding, and initiate mass gender equality and GBV awareness sessions and trainings on peace promotion and conflict reduction for key stakeholders within the communities.
