

## Samples for the Items

S/N	Item Name	Sample
1	Electric Peanut Butter/Groundnut paste Grinding Mill – complete set.	 A stainless steel electric grinding mill for peanut butter. It features a large funnel-shaped hopper at the top for adding peanuts, a central grinding mechanism with a hand crank, and a cylindrical motor housing on the right side. The entire unit is mounted on a rectangular base.
2	Grinding Mill for Grain Flour. Complete Set	 A manual grain flour grinding mill. It has a large orange hopper at the top. The main body is white with a circular grinding stone. The mill is mounted on a blue metal frame with four legs. A hand crank is visible on the side. Text on the mill includes "DIAMANT", "500MM DIAMANT", and "MADE IN SWITZERLAND".
