POSITION : RISK MANAGER
REPORTS TO : MANAGING DIRECTOR

JOB PURPOSE

The main responsibility of risk managers is to support business managers in meeting their goals to satisfy the needs of depositors, lenders, shareholders, and regulators. The Country Risk Manager, therefore, is responsible for reviewing, assessing, measuring, approving and monitoring risks in their respective countries.

KEY RESPONSIBILITIES

- Establish an appropriate strategy and enabling policies in support of the business strategy for all lending products
- Work with other stakeholders to set-up / upgrade the risk infrastructure (people, systems etc.)
- Develop appropriate policies for different customer segments, allowing the sales team to enter approved target market segments
- Review credit products and make appropriate recommendations where and product is leading to higher losses.
- In partnership with the business take responsibility for the credit performance
- Provide hands-on training to the risk management team
- Work with the stakeholders to deliver the results within the risk governance framework
- Work with Regional Credit Committee to obtain approvals beyond the approved authority levels of the BCC.

Responsibility 2

Delivery of key metrics

- Build a strong Risk/Service Delivery partnership that will deliver superior customer experience
- Build a strong Risk team to support planned growth
- Ensure / manage impairment figures in line with plans
- Managing the cost within the agreed budgets and prudential ratios.
- Ensure timely and effective monitoring and control of the lending portfolio.
- Review and challenge information and performance

Responsibility 3

Development / refinement of Product Programmes in association with the business units

- Support launch of Product Products in line with the approved Target Market
- Critical analysis of any credit risk product offerings to identify any underlying credit risks and coming up with practical ways to counter or manage the risks. Communicate effectively with the business on all risk related matters

Responsibility 4

Compliance to the credit risk governance framework
