

MDL APROVE 29 DEC 2021

Danish Refugee Council Juba, SOUTH SUDAN drc.ssudan@drc.ngo

INTERNAL/EXTERNAL VACANCY ANNOUNCEMENT Vacancy No JBA 2021/12/29/004

Who we are?

The Danish Refugee Council (DRC) is a private, independent, humanitarian organization founded in 1956. DRC currently works on all aspects of refugee cause in more than twenty-five countries throughout the world. The aim of DRC is to protect refugees and internally displaced persons (IDPs) against persecution and to promote durable solutions to the problems of forced migration, based on humanitarian principles and human rights. DRC works in accordance with the UN Conventions on Refugees and the Code of Conduct for the ICRC and NGOs in Disaster Relief.

The protection and assistance to conflict affected population is provided within a long-term, regional and rights-based approach to constitute a coherent and effective response to the challenges posed by today's conflicts. Assistance consists of relief and other humanitarian aid, rehabilitation, support to return and repatriation as well as promotion of long-term solutions to displacement and its causes. In addition, support and capacity building of local and national authorities and NGOs form an integral part of DRC's work.

Country and Project Background:

The Danish Refugee Council/Danish Demining Group (DRC-DDG) has been working in Sudan since 2004 and was subsequently present in South Sudan when it gained independence in 2011. DRC-DDG South Sudan programme's current focus is on supporting forcibly displaced and conflict-affected people, including refugees, internally displaced persons (IDPs) and returnees, to access their rights in a safe and secure environment. Currently DRC-DDG is operational Unity states and Upper Nile region. Presently the South Sudan Programme works in 6 field locations, working in the sectors of Camp Coordination and Camp Management, Protection, Shelter/NFI, and Food Security and Livelihoods.

DRC-DDG Seeks to Recruit: -

Overall purpose of the role:

In response to the evolving context of South Sudan, DRC is enhancing mobility and emergency response capacity through increase in mobile teams to address protection risks through protection-centered multi-sector assistance. As part of Emergency WASH and SNFI team, this position participates in preparation and implementation of short-term missions delivering life-saving emergency SNFI and other NFIs assistance to crisis-affected populations across South Sudan, ensuring that the MRT's protection-centered assessment and response modality is fully upheld in close coordination with Protection team. Specifically, the position works closely with MRT colleagues as part of a multi-sectoral teams collecting necessary humanitarian data to inform multi-sector assessments with a focus on Emergency to manage the implementation of emergency SNFI response activities, ensuring humanitarian and protection principles including COVID-19 prevention measures are upheld and that the affected population participates as fully as possible throughout the project cycle; and participates in ensuring necessary technical,

logistical, financial, and administrative procedures relating to MRT mission preparation and close-out are completed in full compliance with DRC rules and procedures.

2 9 DEC 2021

Assessment and Response mobile missions:

- Under the supervision of the Mission Team Leader, ensure efficient and rapid mission preparation is done including undertaking logistical arrangements, ensuring correct equipment and inventory is in place for rapid deployment, and inputting into mission ToRs and other preparatory documents.
- Participate in multi-sector rapid needs assessments, gathering and organizing humanitarian data on Shelter NFI COVID adaptation, using a variety of methods including, key informant interviews, transect walks, direct observations and FGDs.
- Be responsible for the implementation of the assigned emergency Shelter NFIs, other emergency items distribution and protection project(s), ensuring timely and high-quality project delivery in often complex and challenging field operating environments;
- Hire and supervise casual workers (such as enumerators and community mobilizers) for assessment and response missions, ensuring work is delivered according to agreed time-frames and abiding by DRC's Code of Conduct and Disciplinary Procedures;
- Adhere to correct safe and accountable distribution procedure and tools, instructing and training casual staff on the same;
- Liaise with key stakeholders including local authorities, community leadership, and the affected population in a professional and mature manner and in accordance with humanitarian principles;
- Ensure that activities in the field are in line with humanitarian principles and the do-no-harm principle, and work to ensure, to the fullest extent possible, that the protection of the affected population is centered throughout all assessment and response activities in close coordination with Protection colleagues or being a part of protection team where needed;
- Under the supervision of the Team Leader, ensure that all minimum documentation for hiring of casual workers, cash disbursal and maintain beneficiary records and distribution lists in the field is completed in line with DRC and donor rules and procedures;
- Need to be fully comply with COVID-19 prevention measures at all-time including Hand washing, social distancing, use of Mask with no shake hands policy and globes where appropriate.
- Under the Emergency specialist and SNFI manager supervision, accountable for the SNFI items in the ware house with the in-out record under different donors.
- Have complete knowledge of and fully adhere to all DRC MRT safety rules and procedures in potentially insecure, risky, and complex field operating environments.

2 9 DEC 2021

Coordination and reporting:

- Ensure that full and accurate records are kept of all assessment data and response data, processing information and drafting reports for the MRT Manager in a timely manner coordination with WASH and SNFI Supervisor and other team members if needed;
- Report any information on emerging humanitarian needs and context developments received to MRT Manager;
- Coordinate with other DRC teams, humanitarian partners, and local authorities on assessment and response missions
 to ensure that activities are complementary with existing humanitarian interventions.

- Input into procurement planning for SNFI activities under the supervision of the Emergency specialist and MRT Manager.
- Coordination with DRC WH for SNFI items delivery and release to the missions.

Monitoring and evaluation:

- Ensure that feedback mechanisms for assigned projects are put in place during and after interventions;
- Conduct post-intervention monitoring (on site and remotely) for assigned projects, ensuring full and accurate records are kept of data gathered in close coordination with the Monitoring & Evaluation (M&E) team.

Accountability to Affected Populations (AAP):

- Make recommendations to line manager on improvement of assessment and response relevancy, efficiency, appropriateness, timeliness, and accountability, in general and in particular in regards to COVID 19, to inform future design of mobile responses;
- Ensure that recommendations are implemented, ensuring continuous improvement of responses and operations;
- Ensure, wherever possible and appropriate, that all age and gender groups within the affected population can participate fully in project design and implementation;
- Ensure correct application of all accountability, protection mainstreaming, and gender protocols during assessment and response missions.
