SUBJECT: RECOMMENDATION OF QUICKBOOKS SERVICES

Dear Hiring Manager,

It is with great pleasure that I recommend Herman Williams for the training and installations, networking of QuickBooks for your organization. Dialogue Research & Initiative staff had the opportunity to be trained by Herman and myself, so I can personally vouch that he knows all areas of QuickBooks accounting software in line with Non-profit requirements and proper procedures and that he fully understands needs of the trainees. Herman was an inquisitive trainer who sought not only to ensure that trainees acquired theoretical information and procedures, but ensured trainees were practically and able improve their skills as well.

Furthermore, Herman has an innovative mind and is quick to assess weaknesses and offer solutions of his trainees in a more efficient manner in order for them to complete tasks during training. He is dedicated to efficiency, so I believe his training methods would excel to improve and increase productivity of your staff in use of QuickBooks software.

I highly recommend Eskallade Technology company for delivery of Quick Books.

Sincerely,

Dill Koang Ruey
