

### External Advert

Oxfam is a global movement of people working together to end the injustice of poverty.

That means we tackle the inequality that keeps people poor. Together we save, protect and rebuild lives. When disaster strikes, we help people build better lives for themselves, and for others. We take on issues like saving lives, governance and peace building, education, land rights and discrimination against women. And we won't stop until every person on the planet can enjoy life free from poverty.

We are an international confederation of 19 organizations (affiliates) working together with partners and local communities in the areas of humanitarian, development and campaigning, in more than 90 countries.

All our work is led by three core values: Empowerment, Accountability, Inclusiveness. To read more about our values please click [here](#)
