The Organization

We employ approximately 25,000 people across the globe and work on the ground in over 100 countries to help children affected by crises, or those that need better healthcare, education and child protection. We also campaign and advocate at the highest levels to realize the right of children and to ensure their voices are heard.

We are working towards three breakthroughs in how the world treats children by 2030:

- No child dies from preventable causes before their 5th birthday
- All children learn from a quality basic education and that,
- Violence against children is no longer tolerated

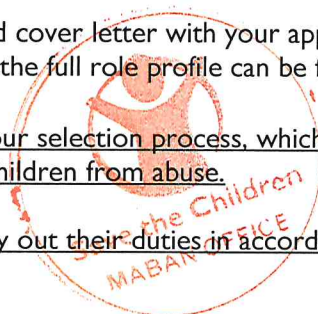

We know that great people make a great organization, and that our employees play a crucial role in helping us achieve our ambitions for children. We value our people and offer a meaningful and rewarding career, along with a collaborative and inclusive environment where ambition, creativity, and integrity are highly valued.
