IMA World Health Job Posting/Advertisement

Job Title: Grants & Compliance Manager

Contract length: 12 Months renewable

About Corus: IMA World Health/Corus International is the parent of a family of world-class organizations working to deliver the holistic, lasting solutions needed to end extreme poverty once and for all. We are a global leader in international development, with 150 years of combined experience across our brands. Our nonprofit and for-profit subsidiaries include IMA World Health and its fundraising brand Corus World Health, Lutheran World Relief, CGA Technologies, Ground Up Investing, and Farmers Market Brands. Our more than 800 employees around the globe are experts in their fields and dedicated to helping the world's most vulnerable people break the cycle of poverty and lead healthy lives.

At Corus we believe that good only grows stronger and we reflect that belief in our workplace culture. We value every employee's specialized area of expertise and nurture professional growth. We promote an engaging and supportive work environment, where employees feel enabled and driven to innovate, learn and collaborate. And because our subsidiaries often function as partners, our employees have the opportunity to work across our enterprise family.

Corus is committed to diversity, equity and inclusion in our worldwide workplace, and we believe that social justice and respect for the human dignity of every person are fundamental to all we do as an organization.

Further details about the organization can be found at <https://corusinternational.org>

About The Job: This position for the MOMENTUM Integrated Health Resilience project, led by IMA World Health, will report to the Director of Finance & Administration. The Grants & Compliance Manager is an integral part of the MIHR team in the country. The position oversees and administers the program's sub award and sub-grants portfolios and safeguards project's overall compliance with donor regulations as well as the South Sudan applicable local laws. This position will design and implement systems to ensure transparency, competition, proper documentation, compliance monitoring, and cost analysis and will produce compliance reports and coordinate capacity-building efforts for local sub recipients. With strong expertise on USAID rules and regulations, s/he will provide support to various functions of the project, including soliciting input from technical specialists for the overall management and administration of MOMENTUM Integrated Health Resilience project's sub grants portfolios.

Location: Juba Head Office

About The Ideal Candidate: Reporting to the Director for Finance and Administration the Grants and Compliance Manager oversees all critical aspects of the grant cycle from pre-award to post-award; develops cost proposal packages for negotiations with subcontractors; cost negotiations with clients both as a prime contractor and as a subcontractor, and any other submissions as required by the program teams.

- **Requirements:** Bachelor's Degree in finance/accounting or related field, advanced degree preferred;
- Professional certification (CPA, ACCA, CA, etc) and membership to a reputable accounting body is required.
- Minimum of 7 years of progressive work experience in negotiating, awarding and administering grants under contracts and sub grants, particularly those funded by USAID and other foreign governments or multilateral institutions.
- Strong leadership, diplomatic, analytical and organizational skills; demonstrated ability to work both independently and within a team, assess priorities, and manage multiple activities with attention to detail, meeting tight deadlines under pressure
- Significant experience in the development and negotiation of various agreements and contracts, including creative problem solving
- Experience in building the capacity of local organizations to adhere to USAID requirements and regulations is preferred
- Excellent communication skills including written and oral communication and the ability to present to groups of all sizes
- Solid diplomatic skills, including the ability to effectively manage a variety of internal and external relationships, especially relationships with contractors and grantees
- Ability to be flexible and work well under pressure in a fast-paced team environment
- Solid Computer skills-facility with MS Word, Excel, and e-mail/internet software; knowledge of fund accounting software (MIP desirable)

Why You Should Apply: Corus offers competitive salaries, discretionary bonuses, 100% employer paid Group Life and Group Accident insurances, lots of paid leave, generous benefits program, flexible work schedules and so much more!
