Building Brighter Futures for Vulnerable Children*

JOB OPPORTUNITY- RE-ADVERTISED

World Vision is a Christian Relief, Development and Advocacy Organization dedicated to working with Children, Families and Communities to overcome poverty and injustice. World Vision serves all people, regardless of religion, race, ethnicity or gender. All employment in World Vision is conditioned upon successful completion of all applicable background checks, including criminal record checks where possible.

World Vision South Sudan is now seeking for a qualified and dynamic Individuals (**Man or Woman**) who are willing to share in our vision and promise to Children, to join us in the role below:

Job title: Monitoring & Evaluation Officer (1 position)
Reporting to: Quality Assurance Coordinator
Location: Melut, South Sudan
Availability: As soon as possible

Purpose of the position:

The purpose of the position is to lead operationalizing of M&E within the allocated region. M&E position will support the Health programs in monitoring the implementation, tracking indicators and other documentation needs. M&E Officer is fully involved in determining effectiveness, efficiency and impact on Health programs.

Major Roles and Responsibilities:

- Review the monitoring framework; indicators and systems for monitoring and surveillance as agreed through consultation and guidance by the Health/M&E Manager and according to LEAP.
- Assist the A,M&E manager in following up decisions and recommendations made, and ensuring capacity building for implementation of the monitoring systems;
- Provide adequate coordination for in-country baseline training, data collection, mid-term and final evaluations, in close collaboration with M&E partners, as well as with other external partners.
- Assist in setting up monitoring systems to track project performance and changes in Health and nutritional status according to set international humanitarian standards.
- Provide oversight/collaboration for the Sentinel Site Surveillance systems in coordination with the AM&E manager, while collaborating with other partners such as UNICEF and possibly other UN agencies to ensure non-duplication of efforts and efficient resources utilization.
- Participate in the institutional learning initiatives, and provide technical leadership and coordination in ensuring establishment of efficient information systems leading to the achievement of lessons learnt and their timely dissemination.
- Strengthen the monitoring and evaluation activities via training/ capacity building activities.

- Assist in organizing technical trainings including sampling, questionnaire design, participatory techniques for data collection, analysis of data and reporting.
- Compile and submit quality reports (Monthly and Quarterly) to QA/PM Manager as directed.
- Ensure that all reports are highly accurate, comprehensive, well documented and will guarantee the credibility of the program.
- Perform any other task related to the program needs assigned by the QA or PM Manager or other WV Official.

Qualifications: Education/Knowledge/Technical Skills and Experience

- Holds a Bachelor's degree or equivalent in Epidemiology, Biostatistics, Public Health or related field.
- Minimum 3 years relevant experience in the design, implementation and management of health monitoring and evaluation systems – EPI experience preferred.
- Experience working in limited-resource settings, preferably in South Sudan.
- Vast experience in implementing large health programs including working with partners in consortium of International NGOs.
- Excellent communications (Fluency in spoken and written English) and organizational skills.
- Experience with database analysis using Epi info, Stella, SAS, SPS, and/or STATA.
- Proven analytical, problem-solving skills and comfortable working under minimal supervision.
- Strong experience in data analysis and generation of high donor quality reports
- Proficient IT skills: Microsoft Word, Excel, PowerPoint, Access.
- A South Sudanese National only. Proof of South Sudanese Nationality is a must
- Highly organized, efficient, and able to meet key deadlines.
- Should demonstrate strong leadership and people management skills.
- Be a committed Christian who espouses Christian values throughout his/her work
- A South Sudanese National with a proof of South Sudanese Nationality.

World Vision South Sudan is willing to pay a competitive salary and benefits to the right candidate.
