<b>Estimated Level of Effort (LOE):</b>	Up to 98 days
<b>Period of Performance:</b>	Nov. 22, 2021 - April 30, 2022
<b>Place of Performance:</b>	<b>Desk-based location:</b> Greater Upper Nile and Barh El Ghazel, South Sudan <b>Country:</b> South Sudan
<b>Funding:</b>	<b>Project</b> OR <b>Overhead</b> (select one or both)

### Background and Justification:

South Sudan is a beneficiary of Gavi funding to provide technical assistance for the rollout of COVID-19 vaccines. This is needed to deploy covid-19 vaccination to the high-risk population and in order to reach herd immunity and control the spread of COVID-19. The Country intends to vaccinate up to 20% of its population against COVID-19 disease by the end of 2021 based on the National Vaccine Deployment Plan (NVDP) 2020. However, up to date, less than 1% of the target population is fully vaccinated. Given this, MoH with technical Support from JSI is recruiting Regional Training Consultant to support sub-national and County level trainings and supervision in South Sudan

- Provide technical assistance to develop/adapt training and supervision materials with inputs from in-country team, conduct TOT training for national TOT trainers and organize supervision visits to the states during the training.
- Provide Technical Assistance in deployment of immunization services.

### Purpose and objectives of the consultancy provision:

The Regional Consultant will work with the National Training Technical Consultant to conduct COVID-19 training and supervisions at the sub-national level in South Sudan as per South Sudan NVDP
