Position Title:	Driver
Work Location:	Kapoeta / Budi, South Sudan
Contract Name:	Resilience through Agriculture in South Sudan Activity
Status:	Full-time, Long-Term Technical Assistance (LTTA)
Period of Performance:	December 1, 2022, or sooner, renewable annually (contingent on funding and performance)
Supervisor:	County Liaison / Procurement and Contracts Specialist

PROJECT BACKGROUND:

The objective of the Resilience through Agriculture in South Sudan (RASS) activity in South Sudan is to improve food security and community household recovery and resilience in 13 target counties, reducing long term reliance on humanitarian assistance (HA). To achieve this ambitious aim, the Contractor must improve the effectiveness of local systems and strengthen the capacities of community groups to achieve gender responsive and diversified market-sensitive production; facilitate increased production of diverse nutritious foods by strengthening productivity, reducing food loss, and improving nutrition behaviors; and strengthen and expand household and community opportunities for sustainable, local driven livelihoods.

Taken together, RASS will graduate communities from high integrated food security phase classifications to low IPC acute food insecurity and support a change from a focus on HA to inclusive development assistance and economic growth.
