

**Vacancy Announcement****USAID Gender Aware Sustainable Water, Sanitation and Hygiene (WASH) Activity  
SCOPE OF WORK**

**TITLE:** Community Led Total Sanitation (CLTS) Specialist  
**DURATION OF CONTRACT:** LTTA  
**LOCATION:** Juba, South Sudan  
**SUPERVISOR:** Technical Lead - Social Behavior Change (SBC) Advisor

**Project Background:**

The purpose of the Gender Aware Sustainable Water, Sanitation and Hygiene (WASH) Activity is to expand gender-transformative sustainable access to basic safe drinking water, basic sanitation coverage, and increase uptake of key hygiene behaviors to improve health and household resilience in accordance with USAID/South Sudan's Strategic Framework.

**Position Summary:**

The Community Led Total Sanitation (CLTS) Specialist is responsible for contributing to the development and implementation of an at-scale, demand-led, geographically, and needs-tailored Community-Led Total Sanitation plan seeking to transform behaviors of all households to adopt sanitation facilities throughout the targeted regions, and push communities with existing facilities up the sanitation ladder. Reporting to the Technical Lead - Social Behavior Change (SBC) Advisor, the CLTS Specialist will work with their component colleagues focused on SBC and GESI across multiple field offices to develop and implement cross-cutting activities.

This position will be hired at Specialist level, with applicant's CVs assessed based on the qualifications listed below.

**Duties and Responsibilities:**

- Assist in the development of an at-scale, comprehensive SBC strategy, including demand-led, locally tailored CLTS plans, grounded in formative research, to increase the adoption of key sanitation and hygiene practices and shift harmful gender norms
- Contribute to design of aspiration-based marketing campaigns that create demand for sanitation and hygiene products
- Support the regional teams to undertake activities in communities, institutions, and households to promote improved WASH practices and shift harmful gender norms, such as community conversations, dialogues, and discussions that address specific behaviors and social norms around gender
- Support the regional teams to conduct CLTS triggering, follow-up, verification, and certification activities tailored to communities, with modifications informed by research results
- Implement activities that equip Community Leaders and WASH Champions with the skills and resources to connect target communities with model latrines and resources for basic latrine construction; to follow up with households to reinforce do-it-yourself sanitation construction; and to align vendor marketing activities of sanitation products to meet increased demand and allow people to climb the sanitation ladder
- Collaborate with other technical component colleagues across multiple field offices in order to implement activities that work across the given component
- Conduct regular visits to regional offices, to provide technical assistance and ensure proper implementation and monitoring of CLTS project activities

- Lead in drafting inputs to required progress reports, including monthly, quarterly, semi-annual and annual reports for the Technical Lead, as needed
- Other tasks as assigned by supervisor

**Education and Certifications:**

- Minimum Bachelor's degree in civil engineering, social work, public policy, environmental engineering. A combination of a post-secondary Diploma in a relevant field and additional relevant professional experience may be considered

**Key Position Competencies and Experience:**

- At least five years of progressively responsible experience in strategies to reduce open defecation such as community led total sanitation (CLTS), particularly for an international development implementing partner or Non-Governmental Organization
- At least three years of experience working on USAID and other donor funded projects, focusing improving sanitation access and specifically CLTS.
- Demonstrated knowledge of community led total sanitation theory, analytical work, and trends in current programming and government policy
- Familiarity with donor policies, such as USAID's gender and social inclusion policies
- Demonstrated knowledge of sanitation situation (issues and challenges related to sanitation) in the South Sudanese context
- Experience in providing in-person or remote trainings to staff or partners with differing exposure to on CLTS implementation
- Strong organizational and interpersonal skills and ability to work calmly under high stress and in a very fast paced environment
- Ability to synthesize and summarize large amounts of complex information so that it can be presented in a simple and easy to understand way
- Effective written and oral communication skills
- Demonstrated problem solving and analytical skills and good judgement
- Be proactive, have strong prioritization skills, and versatility
- Have integrity, empathy, and demonstrated ability to work cross-culturally
- Possess demonstrated leadership skills, humility, and self-awareness
- Ability to communicate clearly and concisely, both written and verbally in English and spoken Arabic required and other local languages preferred
- Position open to South Sudan nationals only

**DT Global Core Competencies:**

- **Teamwork:** Works cooperatively and effectively with others to achieve common goals. Participates in building a culture characterized by inclusion, trust, and commitment
- **Communication:** Effectively conveys information and expresses thoughts professionally. Demonstrates effective use of skills and displays openness to other people's ideas and thoughts
- **Adaptability:** Adjusts planned work by gathering relevant information and applying critical thinking to address multiple demands and competing priorities in a changing environment
- **Customer/Client Focused:** Anticipates, monitors, and meets the needs of customers and responds to them in an appropriate and responsive manner
- **Diversity & Inclusion:** Conveys respect for diverse individuals and perspectives; models inclusive behavior and treats everyone fairly
- **Professionalism:** Displays appropriate and ethical behavior, integrity, and personal presentation in the workplace always; demonstrates respectful communication for others, both verbal and non-verbal

**Application Process:**

To apply, please send your CV and Letter of Motivation as **one single document** to [gaswash.recruiting@dt-global.com](mailto:gaswash.recruiting@dt-global.com). Your attachment must be less than 1 megabyte in size; your CV must include your full name, email, and phone number; and DO NOT submit any other recruitment documents at this time. In the email subject line, include the **title AND location** of the position you are applying for, as advertised at the top of this job vacancy announcement. We encourage you to apply electronically. However, you can deliver hard copies to our office in Juba should you be unable to send electronic application. Only candidates who are short-listed will be contacted. **The deadline for submissions is Tuesday, March 22, 2022, at 05:00PM (17:00), CAT.** Emailed CVs received after this time will be considered only at DT Global South Sudan discretion.

Women applicants are encouraged to apply for this challenging and exciting position
