I. SUMMARY OF POSITION

Under the direction of the Head of Finance, the Grants & Finance Manager is responsible for ensuring that grants and Financial management functions are performed in accordance with organizational polices and procedures, donor rules and regulations, and Generally Accepted Accounting Principles (GAAP).

The position ensures full compliance with the signed Field Level Agreement (FLA) with WFP (SSD 2026 AHU JS 001) and other donor agreements, guaranteeing that all funds are used appropriately, transparently, and in line with approved budgets and contractual obligations.

The role requires a motivated, analytical, and solution-oriented professional capable of managing multiple grants, meeting strict reporting deadlines, and maintaining audit-ready documentation at all times.

II. PURPOSE

The Grants & Finance Manager will provide support in Grant budget preparation and revisions, Budget monitoring and burn rate analysis, Donor Financial reporting (monthly, interim, and final), Forecasting and cash planning, Partner Financial monitoring, Audit preparation and compliance oversight, The role ensures expenditures are eligible, reasonable, allocable,

properly documented, and compliant with donor agreements and in line with the ACF procedures and donor rules & regulations.

III. ENGAGEMENT

The Grants & Finance Manager will hold an interactive relationship with HEARO/HQ Business Development Unit, the Country' s Human Resources, Logistics, Coordination Teams i.e. Technical Heads of Departments, Field Coordinators, Partners, Sub IPs, Finance Technical Working Group and relevant external stakeholders.

IV. DELIVERY

The Grants & Finance Manager will undertake functions including but not limited to budget Development, Grant Management and Donor reporting, donor audits; facilitate mission staff training in grants/financial policies to effectively and efficiently reinforce compliance with organization and donors' policies and procedures in order to achieve organizational objectives.

V. ESSENTIAL JOB FUNCTIONS

1. New Proposal Development

- Prepare, revise and update internal budget templates in collaboration with Program, HR and Operation teams that incorporates most current costs and shared with the team to facilitate proposal budget inputs
- Facilitate budget allocation process for new proposals, coordinate and receive respective sector budget inputs for consolidation and subsequent review by Head of Finance.
- Under the guidance of Head of Finance, prepare new budgets, support existing grant budget revisions or amendments ensuring that all costs are covered and are not under/over budgeted in addition to correct use of the ACF and donor budget formats.
- Calculate and Insert the correct Shared Support Costs for all new grant budgets.

2. Grants Management & Donor Reporting:

- Oversee preparation of the monthly Budget Follow Ups reports and timely distribution to the team & schedule reviews.
- Attend and provide support in all grant opening, review and closing meetings.
- Determine the financial position of country projects, report on donors' budget adherence, identify variances, perform variance analysis and recommended corrective action i.e. reallocation of resources where necessary.
- Examine monthly cost of projects to support design of cost-reduction initiatives
- Meet external reporting deadlines while ensuring scheduled donor reports present true and fair financial status as at each reporting period and liaise with donors and HQ when necessary, on procedure questions.
- Prepare and present grant-wise operational and strategic financial portfolio analysis to senior management for effective and efficient decision making.
- Prepare donor reports ensuring financial alignment between project outputs and expenses.
- Supervise and consolidate timely donor financial reports, review ledgers to ascertain accuracy and authorize expense re-classification.
- Provide financial oversight and management of grant awards and flag up questions/issues to be addressed by funding sources.
- Review financial transactions allocated to grant awards to ensure reasonableness, consistent treatment, and availability of funds.
- Analyze and monitor projects' budget against execution, consistently monitoring grant burn rates and balances to keep project team informed of status.

3. Financial Management:

- Communicate timely and accurate financial analysis of running grants to aid appropriate corrective measures; generate financial statements as per international accounting standards.
- Share grant financial reports, variance analysis and ensuring coherence with the programmatic reports; undertake preventive checks, monitoring and verification of partners' financial reports.
- Work with Finance Manager (Accounting & Treasury) to facilitate prudent allocation of monthly Shared Support Costs.
- Support budget parameter creation, importation/update to both Logistics & Financial Management Systems (Sylogist & Link), budget projections and analysis of expenses as needed.
- Review salaries & benefits being charged to projects and adjust to ensure correct allocation considering number of positions and percentage covered.
- Prepare, review and distribute monthly financial reports with specific reference to funded projects, document and address issues requiring attention and/or further discussion.
- Analyze and monitor projects' fund and cash balances per CFP forecasts and keep project team informed of status or issues to inform adjustments of individual grant forecast projections.
- Work with finance staff to ensure timely and accurate processing of payables, monthly In Country donor invoicing, receivable tracking, follow up and reconciliation.
