

Senior Midwife - Vacancy

Organization: Comitato Collaborazione Medica CCM

Position: Senior Midwife

Number of Positions: (1)

Location: Kapoeta

Start Date: As soon as possible

Reports to: Lot Coordinator

JOB PURPOSE

Ensure smooth coordination of preventive and curative reproductive health services in Kapoeta Hospital, and integrate them within the primary and secondary health care service package offered both at static/facility and outreach level

Summary of the responsibilities

- Provision of ANC and PNC services at the health facility level, ensuring pregnant women receive preventive care before and after delivery; provide skilled attendance to birth at the hospital and enhancing CEmONC
- Promote the provision of routine EPI services at hospital and outreach level, to increase the immunization coverage among communities;
- Facilitate the integration of HIV/AIDS counselling/testing/curative services at hospital level;
- Promote individual/couple family planning counselling to increase utilization rate;
- Facilitate the organization of weekly reproductive education session at the facility level for patients and caretakers;
- Build the capacity of local trained staff especially community midwives and nurse aids, responsible for delivering RH services in applying MoH guidelines;
- Supervise and follow-up on the effective management of maternity and IPD wards (gyn/obstetric) in the hospital;
- Train reproductive health staff on related subjects (FP, STIs management, ANC/PNC, clean delivery, CEmONC, gyn/obstetric emergency referral, etc.),
- Coordinate Community outreach sessions for ANC/PNC and EPI promotion,
- Facilitate the organization of safe reproductive health promotion campaigns for the community at large;
- Assist the hospital matron in raising community awareness on mother and child health;
- Prepare monthly ANC and Maternity reports as well as reproductive health performances in the hospital, utilizing MoH reporting tools (DHIS).

Key Qualifications and requirements:

- At least diploma or its equivalent in midwifery from a recognized institution
- At least 2 years of relevant work experience.
- Excellent written and spoken English and Local language
- Flexibility and willingness to work in remote areas
