Email: airdsouthsudan@gmail.com

"Nurtured Children, Empowered Youth, viable Communities"

1.6. AIRD's strategic objectives.

- Increase provision of essential life-saving health and nutrition services in conflict affected communities in South Sudan.
- Increase access to quality education to South Sudanese boys and girls through providing age-appropriate opportunities.
- Conflict affected populations are provided with safe and protected environment to prevent and respond to psychosocial distress, violence, abuse and exploitation.
- Improve resilience and empowerment through capacity building and provision of appropriate livelihood opportunities.
- Strengthen the capacity of local communities to promote peace, human rights and sustainable development.

2. Description of the scope of work.

Points of delivery	Description	Rate (USD)
