Malteser Hilfsdienst e. V., Malteser International, Erna-Schaeffler-Str. 2, 51103 Cologne, Germany

Firstly, tenders shall be checked on compliance with legal documents and evaluated on following **exclusion criteria**:

- 1. Not submitted legal documents as specified at 3. Content of Tender**
- 2. Not bided according to the specifications**
- 3. Not submitted within the deadline**
- 4. Non availability of GMP certificate from country of origin**

Secondly, tenders found to be compliant and fulfilled exclusion criteria will be evaluated by an internal evaluation committee through an evaluation tender analysis using the following **selection criteria**, which include both technical and financial criteria:

- **Financial Proposal 40%**
- **Documented drug supply Experience (at least 5 years of service to non-governmental organizations) 10%**
- **Origin of supplies 5%**
- **Shelf life 15%**
- **Delivery lead time 10%**
- **Registration and assessment with Quamed 20%**

The selection criteria mentioned are to be weighed (%) and for each of the eligible tender ratings from 1-5 of the selection criteria will be applied from the internal evaluation committee according to project needs. The result of the analysis is an overall score, that determines the further selection and award of the tenders.

Furthermore, the evaluation committee reserves the right to make a final decision and award a contract based on a physical visit, thus bidders are encouraged to be available for visits.

The set criteria shall be used to determine the most economically advantageous tender for contract award:

- a. The bidder's initial proposal should contain the tender's best terms from a cost or price and technical standpoint.
- b. If tenders are determined to be equivalent based on the selection criteria, price could then become the deciding criterion for award.
- c. Bidders are forewarned that an acceptable proposal with the lowest price may not be selected if award to a higher-priced proposal affords Malteser International a greater overall benefit,
- d. Malteser International will favorably evaluate a schedule, which shows earlier completion than Malteser International's required time frame. The Bidder's innovative approaches to accomplish early completion are encouraged.

9. Agreement and Payment Terms

- Evaluation Tender Analysis and justification based on responsiveness of the selected bidder by internal committee
- Contract Agreement will directly be issued to the selected contractors upon approval.
- The payment will be done in United States Dollar by bank transfer or cheque as specified below.
