JOB VACANCY –ANAESTHETIST NURSE
NUMBER OF VACANCIES: 01

Médecins Sans Frontières (MSF – Doctors without Borders) is an international, independent, medical humanitarian organization that delivers emergency aid to people affected by armed conflicts, epidemics, natural disasters and exclusion from healthcare in more than 60 countries around the world. MSF offers assistance to people based on need, irrespective of race, religion, gender or political affiliation. Our actions are guided by medical ethics and the principles of neutrality and impartiality.

Location: Agok

Contract: 6 months fixed term contract with the possibility of extension

Main Purpose:

Performing all anaesthetic medical activities according to MSF policies, protocols and universal hygiene standards, in order to ensure the quality of pre, during and post-operative care of patients.

Scope of responsibilities:

- Performing consultations to patients due for surgery, evaluating of the risks of operating (in collaboration with the surgeon), obtaining patient's written authorization for their operation.
- According to set procedures, carrying out all nursing anaesthetics related activities during surgery in order to collaborate in patient's adequate anaesthetized state and safety during the process.
- Providing post-operative care, including immediate post-operative surveillance in the recovery room and special patients present in the intensive care unit, in order to adapt the prescriptions, with special focus on patient's pain relief, during the stabilization and recovery process. Does round consultations with the Surgeon Doctor once or twice a day, discussing therapeutic orientations with the department manager, renewing prescriptions and ensuring they are followed.
- Respecting, promoting and ensuring medical confidentiality and implementing and following hygiene rules, procedures and protocols at all times as well as looking after the integrity of anaesthesia material (decontamination, sterilisation, storage conditions, etc.) and other equipment, in order to ensure the safety and protection of patients and other staff.
- Carrying out all pharmacy related activities (stock control, station's re-stocking, inventories, expired drugs, etc.)
- Collaborating with other departments and supporting other medical services in order to support the overall MSF project with his/her expertise and capabilities. Carrying out administrative procedures and documents (fill in of patients files, forms, statistics, data base, etc.), in order to have updated and correct information about the day-to-day activities. In collaboration with the Surgeon Doctor, carrying out quantitative surgical-anaesthesia data collection.

Recruitment criteria:

Education: MANDATORY: Nursing diploma with specialization in anaesthetic nursing
Experience: MANDATORY: 1 year of previous supervised work experience as an anaesthetist nurse.
DESIRABLE 1 year work experience with MSF or other NGO's
Languages: Mission and local language essential (English, Arabic, Dinka).
Knowledge: Computer literacy (good use of word, excel and internet)

APPLICATIONS

South Sudanese candidates should submit their application with **motivation letter, CV, scan of relevant diploma, valid Nursing Registration and ID** to MSF Switzerland in Agok or to HR department's email msfch-juba-hrdevelopment@geneva.msf.org

Latest on 19th October 2021 by 5:00pm.

Please mention **Anaesthetist Nurse** in the subject title of your email.

Qualified women are strongly encouraged to apply.

Only short-listed candidates will be contacted and applications will not be returned.

No money is ever asked throughout the MSF recruitment process.
